INTRODUCTION

At Dulwich College Suzhou, the Co-Curricular Activity (CCA) programme covers all the activities that take place outside of the taught curriculum. We consider this to be an integral part of the students' journey, as it affords an opportunity for students to experience and deepen their interests and abilities in a wide range of areas.

The CCA programme not only serves to complement and extend learning from the classroom, but it also helps to develop student health and wellbeing. Through their active participation in the CCA programme, students will stretch boundaries and be exposed to new challenges and experiences, developing the cognitive, social, and interpersonal skills necessary to succeed in this rapidly changing world.

Our CCA programme is a cohesive whole-College programme, from DUCKS through to the Senior School. The purpose of this is to ensure a link between all three schools, and to provide an opportunity for development and growth in student learning right from the early years. This also serves as a useful foundation in ensuring our students have continuity of relevant experiences to not only support their future university aspirations, but also to create well-balanced applications.

There are 3 components to the College CCA programme: Enrichment; The Arts; and Sport. The **Enrichment** focus consists of a range of academic Societies that reflect students' key learning areas. Some examples of the Societies being offered is a Science Society, a Debating Society, and a Technology Society. Participating in a Society provides students with opportunities to explore more diverse topics than the prescribed curriculum. Junior School students can also participate in additional Special Interest Clubs that don't fall within the realm of a Society, but still provide students with the opportunity to engage in a specific area of learning.

The Arts is another aspect to the CCA programme. The Arts includes Music, Art, Dance and Drama, providing an opportunity for students to engage in activities involving skill and imagination.

Sport is also a core component of the CCA programme, offering students a broad range of activities to participate in. The Sport programme allows for flexibility and student choice between Sport, Enrichment, and The Arts.

Please note: for sport related clubs after 4:30pm such as Swimming and Football, our coaches will reach out to families directly by Schools buddy emails.

CO-CURRICULAR ACTIVITY INFORMATION

Commencement of CCAs for Term 1

CCAs will commence on Monday 9 September 2024

Conclusion of CCAs for Term 1

CCAs will finish on Friday 6 December 2024

CCA 'View Only' Period

In addition to the details in this handbook, all the CCAs will be available to view on SchoolsBuddy during the last week of term 3 and Summer Holiday. This will allow sufficient time for families to review the structure of the system and discuss CCA options.

CCA Sign-up/Registration Period

CCAs will be available for families to register for in SchoolsBuddy during the following period:

- Open: 7:00pm on Monday 12 August 2024
- Close: 11:59pm on Sunday 25 August 2024.

Preference-based Booking

For preference-based booking, rather than 'first come first served', students may choose:

- up to five (5) CCAs they would like to attend across the week for all before school activities
- up to five (5) CCAs across the week for any lunch-time activities
- and up to five (5) CCAs across the week for after school activities.

For example, if a student is wishing to attend an after school CCA on Tuesday afternoon, Wednesday afternoon and Thursday afternoon, they will be required to choose the order of preference for each afternoon e.g. Wednesday's after school CCA may be preference number 1, Tuesday's after school CCA may be preference number 2, and Thursday's after school CCA may be preference number 3.

- DUCKS - Tuesday afternoon for Key Stage 1, class-time CCAs will be arranged directly through DUCKS between the students and their teacher, not via SchoolsBuddy. There are some arts and sports related CCAs added and need to register in SchoolsBuddy.
- Junior School - Students register in SchoolsBuddy
- Senior School - Students register in SchoolsBuddy.

Please note:

If your child was allocated their 1st preference at the commencement of Term 1 for JS/SS Music, JS/SS Drama, or a Senior School Society, they are not required to re-register for their CCA in Term 2 or Term 3. If they wish to apply for any other CCA(s), they will need to register for this.

The College will evaluate all choices before allocating students their CCA/s. This may mean that whilst students may not get their first choice, they are likely to be involved in a CCA of their subsequent choosing. We hope that a preference-based booking process will remove the pressure to sign-up quickly.

Email Notification of Preferences

- Families will receive an initial SchoolsBuddy generated email following their selection of preferences which will provide acknowledgement of the CCA/s their child/ren have applied for - this is not a confirmation email that your child/ren has been successfully placed into their preferred CCA/s.
- Once the registration period closes, families will receive a follow-up SchoolsBuddy generated email/s advising which CCA/s their child/ren was allocated/not allocated to.

Fee-based CCA Payment

For the CCAs that are run by an external provider there is an associated cost. In this handbook, these CCAs are labelled with a yellow dot and the word "Cost" next to the title of the CCA. In SchoolsBuddy, you will see the word "Cost" next to the CCA title. Payment for such CCAs will be requested upon successful allocation to the CCA programme via a QR code which will be sent to you through SchoolsBuddy. If we do not receive payment within one week of sending the code, we reserve the right to remove the student from the CCA.

Refunds

For any events that are organised by Dulwich College Suzhou and may impact upon paid externally-run CCAs, the College will provide a refund to parents based on the impacted dates. In other cases, whereby a student does not feel like attending his/her CCA for that day; is unable to attend due to an appointment or personal illness; for example, the College is not able to provide a refund. In cases of extenuating circumstances, such as bereavement, which prevent a student from attending school, the College will provide a refund on a case-by-case basis. A request for refund must be made by the parent to dcsz.activities@dulwich.org

CCAs by Audition (Music) or Selection (Sport)

There are some Music CCAs and Sport CCAs that have an entry requirement. For example, some Music CCAs require a student to audition before they may join. This is to ensure that the student is at the appropriate level on their instrument and is able to access the repertoire that is covered (if a student however is not successful in their audition, they are strongly encouraged to practice their instrument and retry the following term). Participation into such Music CCAs and Sport CCAs are determined by the CCA lead coordinator.

In this handbook:

- any Music CCAs that require a student to audition are labelled with the word "AUDITION". In SchoolsBuddy, you will see the word "AUDITION" next to the CCA title.
- any Sport CCAs that have an entry requirement are labelled with a blue dot and the words "Selection". In SchoolsBuddy, you will see the words "Selection" next to the CCA title.

Whilst we appreciate that this does preclude some students from joining these activities, the purpose is to ensure that we have a healthy mix of both competitive and inclusive CCAs in the College. If your child trialed for any such Sport CCAs and was selected, please register them for the CCA. If your child did not trial or was unsuccessful during selection, please do not register them for the CCA.

Full Year Commitment in Music and Drama

Due to the nature of the Music and Drama events calendar, all JS/SS Music CCAs and all JS/SS Drama/Production CCAs require a year-long commitment by students. This is to support students in developing their musicianship and theatrical skills to be best prepared for College performances.

DUCKS

In DUCKS, a holistic approach is encouraged in the early years' education, providing as many opportunities as possible for children to spark new interests and curiosities. All DUCKS staff plan and run CCAs each Tuesday afternoon for Key Stage 1 students. These activities form part of the students' curriculum. They also provide an experiential learning experience across the Enrichment, The Arts, and Sport programmes.

Through promoting student agency in DUCKS, children choose the CCA they wish to participate in which should be a different activity each time. The DUCKS CCAs are cyclical and can commence/finish mid-term. Therefore, students will get to choose from a number of different activities four times per year - these are listed below. If you have any questions regarding the Friday morning DUCKS CCA programme, please direct these to your child's class teacher.

SE21

SE21 is a CCA based on the STEAM subjects: Science, Technology, Engineering, Arts and Mathematics. Do you love problem solving and investigating new things? Do you love mathematical games, exciting science, and making cool things? If so, this is the CCA for you!

Green Tigers

Are you a budding "eco-warrior", thinking about ways to save water and energy, or how to be more sustainable at home and at school? If so, Green Tigers will give you this opportunity. In this CCA, you will learn the importance of protecting the environment, as well as engage with a number of projects focused on sustainability.

Creative Art

Join our Creative Art Club, where young imaginations come to life! Our club offers a fun and welcoming space to explore the world of art. Through painting, drawing, and crafting, kids will develop their creativity, fine motor skills, and self-expression. Each session is filled with exciting projects and guided by friendly instructors, ensuring every child feels inspired and confident in their artistic abilities. Let's create wonderful memories and masterpieces together!

Ball Games

Our exciting Ball Games CCA involves a range of different ball games for everyone to enjoy. You will learn the key techniques of each different game and tactics on how to win. This will include skills for tennis, football, basketball, and more! You will also acquire the skills of teamwork and sportsmanship; strength; hand-eye coordination; and particular sport and position-specific skills.

Cooking

Take a culinary tour around the world as a member of our DUCKS Cooking CCA. You will have the opportunity to learn about different food groups, and how these affect our bodies. We will discuss making healthy food decisions and get to cook some delicious dishes - yum!

Dance

We love seeing children enjoy funky music, being active, and making friends. Our dance club encourages confidence through movement and music while having fun and learning the coolest dance moves. It's a great opportunity to really enjoy dance through a healthy mix of structured activities and creative games!

Origami

Welcome to the Origami Club, where little hands create big wonders! Our club introduces the fascinating art of paper folding. Children will learn to transform simple sheets of paper into beautiful animals, flowers, and more, all while enhancing their fine motor skills and concentration. Each session is a fun-filled adventure guided by patient and enthusiastic instructors. Join us to unfold your creativity and make magical paper creations!

Enrichment

The Enrichment component of the CCA offering is a fundamental element of our approach to holistic education, as it recognises that whilst academic interests often begin in the classroom it is outside of that setting that enthusiasm of interests and ideas is turned into a life-long passion.

To ensure that students have access to a diverse range of ideas and experiences within a particular field, we have created Societies which encompass many similar clubs and projects, rather than be restricted by a discrete club structure. Teachers will work together with all students to develop a bespoke learning pathway that stretches all participants academically. In the academic Societies, students will have the opportunity to investigate subject areas beyond what the standard curriculum will allow, and work with fellow students from different year groups who share similar interests. We will continue however to offer Special Interest Clubs for Junior School students, so they can feel that their non-curricular interests are being supported.

In recognition of the fact that our students are at very different stages of their development, we have created the following structure for the Enrichment offerings:

- Experiment (DS) - DUCKS students will regularly change their CCA choices, so they have the chance to experiment with a range of new ideas and interests
- Development (JS) - As many Junior School students will have an interest area which is subject to change, they will have the flexibility to select new CCAs each term. This will give them the chance to develop their interest in a particular Society and/or Special Interest Club, whilst providing them opportunities to engage with new ideas
- Extension (SS) - By the time students reach Senior School they have a good idea of their interests. We want them to deepen and extend their learning within a chosen Society (CCA) and be able to demonstrate true commitment. Hence, Senior School students make a year-long commitment to their Society. We understand however that students may have a change of mind. Therefore, students will have access to a 2 week 'cooling off' period at the commencement of Term 1. After this, if a student decides they no longer wish to be in their chosen Society they may discuss this with the Coordinator of their Society. Approval to be removed from a Society must come from the relevant Deputy Head.

Junior School and Senior School Societies

JUNIOR SCHOOL

Mathematics Society

Year Level: 3, 4, 5 and 6

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: J205

Coordinator: David Fan

Coordinator's email: david.fan@dulwich.org

The Junior School Mathematics Society is for students who enjoy the challenge of solving puzzles whilst improving their mental ability and developing systematic and logical thinking. Within this Society, we get to see how Mathematics is applied all around us, in our daily lives and across the curriculum. Students will be taught how to use and apply the skills they have learned in school to solve problems and real-world challenges. Furthermore, the Mathematics Society will encourage students to be resourceful, be confident and think outside of the box. Mathematics Society will encourage students to be resourceful and think outside of the box.

SENIOR SCHOOL

Mathematics Society

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: S204

Coordinator: Sandra Lafayette

Coordinator's email:

sandra.lafayette@dulwich.org

The Senior School Mathematics Society is for any student with a keen interest in problem-solving and learning about how the world we live in has been built with Mathematics as the foundation. Students will use skills they have learned through their schooling to solve problems devised by NRIC and UKMT, as well as attempting daily challenges and brainteasers. Students will have the opportunity to work on a passion project exploring Mathematics with real world applications and to share their discoveries with others. This Society will help develop critical and logical thinking skills, and will encourage students to think outside of the box to solve problems.

JUNIOR SCHOOL

Science Society

Year Level: 3, 4, 5 and 6

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: SE21

Coordinator: Michelle Roux

Coordinator's email:

michelle.roux@dulwich.org

The Junior School Science Society is for students who are naturally curious about the world around them, making them ideal scientists! They observe and ask questions like: How did the stars get into the sky? Why is the sun so bright? How are bridges built? How do cars drive and aeroplanes fly? How do our magnificent brains work? This Society will nurture students' curiosity and reinforce it in an exciting, fun and practical way. Students will learn to hypothesise, test fairly and understand and control variables before exploring, analysing and communicating their results.

SENIOR SCHOOL

Science Society

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Wednesday

Time: 3:30pm - 4:20pm

Location: S210

Coordinator: Ellena Lin

Coordinator's email:

ellena.lin@dulwich.org

Do you enjoy participating in Science experiments? The Science Society aims to develop passion and curiosity within students, as well as scientific skills. The Science Society is student-led and student-designed, aimed to bring all branches of Science to you, including: Biology, Physics, Chemistry, and Psychology. With hands-on practical work during every session, students will get to engage in activities beyond the school's curriculum, such as: dissections for Key Stage 4/5 students and elephant's toothpaste for Key Stage 3 students.

SENIOR SCHOOL

Science Society: Chemistry Competition

Year Level: 11 and 12
Day: Wednesday
Time: 3:30pm - 4:20pm
Location: S212
Coordinator: Min Tang
Coordinator's email:
min.tang@dulwich.org

Chemistry Competition Club is for current Y11 to Y13 students, who are interested in participating The Cambridge Chemistry Challenge (C3L6), UK Chemistry Olympiad (UKChO) or Canadian Chemistry Contest (CCC). C3L6 is a highly valued chemistry challenge for UK high schools, with over 10,000 students participating each year, and is often used as a pre-test for the UKChO. It is aimed at high school students up to Year 12 and designed to extend chemistry knowledge in a challenging but fun way. UKChO is chemistry competition held by Royal Society of Chemistry. The problems in UKChO often stimulate a lot of debate, raising awareness of what chemistry is all about. It provides a great opportunity for the students to develop and showcase some of the skills they'll need at university and beyond. This year, we had many students won prizes, including 2 Golden Prize. CCC is the Canadian version of C3L6; the winner of CCC could be invited to the Canadian Chemistry Olympiad (CCO). You will work together under teachers' help to solve interesting chemistry questions and learn more skills and knowledges in Chemistry. This CCA is a year programme, each term, the content will be different. The best time to join for Y11 students is from term 1. Teacher's recommendation is needed for Y10 students. For Y12 and Y13 students, you are welcome to join at any time.

SENIOR SCHOOL

Science Society: Medical Society

Year Level : 9, 10,11, 12 and 13
Day: Wednesday
Time: 3:30pm - 4:20pm
Location: S206
Coordinator: Lea O'Callaghan
Coordinator's email:
lea.ocallaghan@dulwich.org

The Medical Society is a society dedicated to exploring the fields of medicine, anatomy and biomedical sciences. It is open to students from year 9 to year 13 and is best suited for students who have a genuine interest in medical biology and may wish to study this at university or college. It is also an opportunity for those who enjoy biology and chemistry to explore topics beyond the classroom.

The society involves conducting experiments, presentations and projects that cover content outside of the IGCSE and IB syllabus, including developing a further awareness of the scientific method and how to design methodology. In past sessions and terms, students have carried out dissections on the five classes of animals, explored vital organs and related diagnosis methods, synthesized aspirin, extracted caffeine, and designed their own investigations.

This year, we're continuing to investigate anatomy, extractions and diagnosis, as well as investigating further into microorganism growth.

SENIOR SCHOOL

Humanities Society: Current Affairs

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Wednesday

Time: 3:30pm - 4:20pm

Location: S222

Coordinator: Stephen Dampier

Coordinator's email:

stephen.dampier@dulwich.org

The Current Affairs Society is a dynamic and engaging CCA for students who are interested in exploring and discussing the latest issues and events that shape our world. Through lively conversations and thought-provoking debates, members of the Current Affairs Society will deepen their understanding of current events, develop critical thinking skills, and learn to articulate their opinions on a wide range of topics. From politics and economics to culture and social issues, the Current Affairs Society is a platform for students to engage with the world around them and to become more informed and engaged global citizens. Whether you are interested in pursuing a career in law, politics, journalism, or simply want to stay informed about the world, the Current Affairs Society is the perfect place to connect with like-minded peers and explore the issues that matter most.

JUNIOR SCHOOL

Literature Society

Year Level: 3, 4, 5 and 6

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: Junior School Library

Coordinator: Odette Holweg

Coordinator's email:

odette.holweg@dulwich.org

Do you enjoy reading? Would you like more time to read? Do you want to share your love of reading with others? Have you got reading recommendations to make?

If you have answered "Yes" to any of these questions, you might like to join our Literature Society CCA - Reading Hour

Each week you will be able to come to the library and browse, borrow and read from the library's collection. Additionally, you can make Book Reviews recommending books for DCSZ Junior School and DUCKS students.

SENIOR SCHOOL

English Literature Society: DCSZ Literary Magazine

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: S404

Coordinator: Joe Lehman

Coordinator's email:

joe.lehman@dulwich.org

The English Literature Society: DCSZ Literary Magazine is looking for new members to join our editorial staff. Please consider joining if you have a passion for creative writing and an interest in learning more about the editing process. Members of the club are expected to produce their own original works and provide advice on works submitted by peers. Currently, the magazine focuses on the following text-types: poetry, short stories, creative non-fiction. To gauge your interest and literary abilities, please submit one original creative work to Mr. Lehman through Outlook or Teams for review (joe.lehman@dulwich.org). All submissions are due by August 20th, 2024. It is important to note that joining this Society requires a year-long commitment for all three terms.

SENIOR SCHOOL

Korean Literature Society: Books and Beyond

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: S315

Coordinator: Anna Moon

Coordinator's email:

anna.moon@dulwich.org

After a long day at school, many of us want to curl up on the sofa with a good book, or put on the latest boxset, or even the film that we have watched 100 times over, but still love. In Books and Beyond, we ask "Why wait until you get home?" Whether you enjoy reading novels, poems, plays, newspapers, magazines or blogs, there is something in the Club for you. Students will read, write, debate, act, practise public speaking, and create school-wide competitions and initiatives. Even if students are not keen readers, they will have the opportunity to watch, analyse, and create films and television shows, as well as radio segments and podcasts. The opportunities are boundless - all that is needed is an enthusiasm for the cultural world around you! We cater for all language levels and offer activities in Korean.

SENIOR SCHOOL

Service Society (including Sustainability as an option)

Year Level: 10, 11, 12 and 13

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: S202

Coordinator: Andrew Sheen

Coordinator's email:

andrew.sheen@dulwich.org

The aim of the Service Society is for students to utilise and develop the transferable skills they have acquired in the classroom to address real-life needs in their own communities, determined by investigative practice, action research, and social analysis. Service Society students will find compelling reasons to learn, acquire the skills of civic participation, and develop an ethos of service and civic responsibility. The Service Society will also support students in the Service Learning component of the Dulwich Challenge, the Duke of Edinburgh International Award, and the CAS component of the IB Diploma Program by supporting others in setting SMART targets, evidencing participation and reflection writing. For younger students' projects, such as Humans of DCSZ and Crescendo, the Service Society will provide an opportunity to be involved in the Service Learning component of the College. Additionally, there is also scope for students to utilise the Service Society to develop their own projects. For students who are interested in developing their awareness of the impact of our actions on our planet, the Sustainability component of the Service Society is a good option. Sustainability students will work with other students, Societies, and teachers to develop their personal projects and passions to make a change - whether that is for our College, local or wider communities. For younger students who are passionate about learning about sustainable education, projects take a more guided approach, such as the Green Gardeners.

SENIOR SCHOOL

Business Society: Tigers' Den

Year Level: 7, 8, 9, 10 and 11

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: S316

Coordinator: Isabel Huntley

Coordinator's email:

isabel.huntley@dulwich.org

Tigers' Den is a student-led CCA. It provides students from years 7 to 9 with an enticing platform to explore their interest in business, enhancing their comprehension of the subject and fostering enthusiasm. Meanwhile, students in years 10 and 11 can use this platform to consolidate their knowledge and clarify learning uncertainties. This initiative culminates in an engaging project reminiscent of "Dragons' Den", where students formulate and present their business proposals to a panel of 'dragons'. Beyond expanding their business acumen, this experience promotes collaboration, enhancing crucial life skills like communication and creative thinking.

JUNIOR SCHOOL

The Shakespeare Drama Club

Year Level: 3, 4, 5 and 6

Day: Tuesday

Time: 3:30pm - 4:20pm

Location: J104

Coordinator: Rowan Kohll

Coordinator's email: rowan.kohll@dulwich.org

Would you like to be a great actor, improve your English, have loads of fun AND perform in front of the school? Then join the Shakespeare Drama Club! In easy stages, you will master the skills of reading poetry, speaking confidently, acting, performing - and have lots of fun doing it! We will be exploring wonderful, magical stories that are famous around the world, and performing on stage for all the school to see. If you want to be famous, if you want to be brilliant at English, if you want to be an acting star, then come and join the Shakespeare Drama Club!

SENIOR SCHOOL

Media Society

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Wednesday

Time: 3:30pm - 4:20pm

Location: S110

Coordinator: Wookhyun Boo

Coordinator's email: wookhyun.boo@dulwich.org

Are you interested in editing clips and videos? The Media Society will teach students how to use video editing a program with its intuitive but precise control abled split, text, BGM, and transition to create the video. Students will make a video montage based on a common theme such as holidays, and mental well-being, and Dulwich College Suzhou with the editing tool. Students will need to bring either a smartphone or iPad to download the editing application and use the camera to record the video. Students will develop skills in using media and documenting their own lives to produce a media product.

SENIOR SCHOOL

JUNIOR SCHOOL

World Scholar's Cup

Year Level: 5 and 6
Day: Thursday
Time: 3:30pm - 4:20pm
Location: J303
Coordinator: David Cairns
Coordinator's email:
david.cairns@dulwich.org

The World Scholar's Cup is a globally recognised Academic competition, which sees students debate, engage in writing challenges and collaborate in quizzes relating to specific subject matter. There are three rounds: Regional, Global and the Tournament of Champions, held at Yale University. Last year, students from DCSZ attended the Regional Round in Hangzhou and scooped a total of 250 medals out of those available; more than any other school. A great success, considering this was our first year competing. This year, the World Scholar's Cup will be hosted at Dulwich College Suzhou, in May. This will see over 200 students from across Jiangsu and Shanghai visiting the College for this weekend event.

SENIOR SCHOOL

Entrepreneurial Society "Social Enterprise"

Year Level: 7, 8, 9, 10, 11, 12 and 13
Day: Thursday
Time: 3:30pm - 4:20pm
Location: S221
Coordinator: Fanie Van Der Merwe
Coordinator's email:
fanie.vdm@dulwich.org

The members of the Entrepreneurial Society will develop products using the 4 P's of marketing, with a clear focus on sustainability. In groups, students will brainstorm products that fall into this category, before proceeding to make these themselves. In the past, soap has been made from used cooking oil, with the packaging made from recycled paper. Greeting cards were made from cardboard and recycled magazines. Old shirts have been turned into soft toys for children, and used mobile phone covers were spruced up with glitter and paint. Who knows what weird, wonderful and, most importantly, sustainable products our students will come up with this year? Join us at the Tree Lighting Ceremony and Founder's Day to find out.

SENIOR SCHOOL

Debating Society: English Language Debating Club

Year Level: 7, 8, 9, 10, 11 and 12

Day: Thursday

Time: 3:30pm - 4:20pm

Location: S403

Coordinator: Dominic Burdon

Coordinator's email:

dominic.burdon@dulwich.org

The English Language Debating Club is an extraordinary platform that offers students in Years 7-12 the chance to engage in thoughtful discussions, develop critical thinking skills, and enhance their oratory abilities. This club provides a stimulating environment where students can explore important and interesting issues, express their opinions, and learn how to construct persuasive arguments. One of the key features of the Debate Club is the emphasis on fostering leadership skills among its participants. The club recognizes that effective leaders are not only skilled speakers but also possess the ability to listen, collaborate, and guide others. Through various activities and opportunities, the Debate Club ensures that students can develop their leadership potential.

SENIOR SCHOOL

Debating Society: Model United Nations

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Thursday

Time: 3:30pm - 4:20pm

Are you interested in presenting your ideas and opinions with like-minded students? The Debating and Model United Nations (MUN) CCA is a great way to gain valuable experience in speaking to an audience, developing confidence and self-esteem. As part of MUN you can explore global politics and society, and will be given the opportunity to participate in conferences with students from various schools around China and from other countries. Participation in a debating society enhances your ability to organise ideas, argue logically and persuasively. Beyond this, participation in this CCA will also help you develop your skills in areas such as critical thinking, time management, research techniques, and teamwork.

SENIOR SCHOOL

Debating Society: Chinese Language Debating Club

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Thursday

Time: 3:30pm – 4:20pm

Location: S410

Coordinator: Jingwei Xu

Coordinator's email:

jingwei.xu@dulwich.org

The Chinese Debating Club aims to develop specific Chinese debating skills. You will have the opportunity to use Chinese to argue for or against common motions encountered in daily life in China, which will help you develop your public Chinese speaking skills. You will also learn and practice essential debating strategies, which can support the improvement of your ability to organise ideas and argue logically and persuasively. This CCA is a good way to develop your skills in areas such as critical thinking, time management, research techniques, and teamwork.

SENIOR SCHOOL

Technology Society

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day: Wednesday

Time: 3:30pm – 4:20pm

Location: S110

Coordinator: Wendy Yang

Coordinator's email:

wendy.yang@dulwich.org

The Technology Society will focus on two major topics students can choose from at the start of Term 1. Within the programming option students will be introduced to the basics of Turtle Graphics and Python framework. This will allow students to create Generative Art derived from code, using inputs such as random values, sound, and mouse movement. This is an exciting opportunity to learn and explore one of the most popular programming languages in use today. Within the design option students will learn to use Sketch up and Unity, two 3d modeling programs to allow the broad use of drawing and design applications. This will introduce students to creating basic shapes and surfaces before carrying out a project brief to design a new living space.

This lunch time CA WILL help students understand what they need to do to protect and help optimise their brains. They will learn about activities and habits that help their brains develop and function at their best. It will help with their focus, memory and cognitive function too.

The Arts

The Arts are fundamental to our humanity. It is what inspires us, and fosters creativity, goodness, and beauty. The Arts bring us joy, help us express our values, and build bridges between cultures. It is also a fundamental component of our Dulwich College community, strengthening our students both socially and educationally. At Dulwich College Suzhou we strive to foster all students' creativity and allow them to achieve their fullest artistic potential.

The **Music** Department is proud to offer an extensive and diverse range of music CCAs that cater to student interest and, where possible, involve staff and the parent community. Playing music has the natural quality of bringing people together to celebrate passion, develop skill, and create memorable moments. We pride ourselves on our commitment to provide high quality musical experiences for our students at a number of College events.

The **Art** CCA Programme offers our students a creative space of a different kind to develop one's passion in the visual arts, as well as cultivate fine motor skills, decision-making, risk-taking, and inventiveness. Students will learn about colour, layout, perspective, and balance - all techniques that are necessary in their academic work. There are a number of different themed Art CCAs across the year, which provide students with an opportunity to showcase their work.

Dance awakens new perceptions in children which help them learn and think in new ways. Children need to express and communicate their ideas and to be given the opportunity to make creative decisions, even at a young age. This is what our Dance CCAs provide our students. Students will learn teamwork, focus, and the fundamental techniques of dance. Participants may also have an opportunity to perform at College events.

Across the **Drama** CCAs, students will learn and develop fundamental physical theatre techniques in a creative and energetic environment. They will have the opportunity to improve their communication and problem-solving skills, as well as work collaboratively with others and demonstrate independence in thinking. The College has fantastic facilities that enhance our students' experience and enable them to be involved in spectacular events. Junior School and/or Senior School have annual theatre productions which are open to all students, providing opportunities for everyone to be involved.

SENIOR SCHOOL

Senior School Production (Invitation only)

This program requires commitment for the whole year.

Year Level: 7, 8, 9, 10, 11, 12 and 13

Day & Time: please see below

Location: SS Black Box

Coordinator: Ben Wills

Coordinator's email:

ben.wills@dulwich.org

The Senior School production CCA runs throughout terms one and two, with the final performances taking place early in term three. Participation in the Senior School Production this year is by audition only. Auditions will take place during the first two weeks of school, with information being published in the daily notices.

The production rehearsal schedule will be confirmed after auditions are finished and casting is completed. Production cast members may be required to attend rehearsals at lunch times, before or after school and during the weekends, depending on the size of their role(s). Where possible, rehearsals will be scheduled so that students do not need to miss other CCAs but this may be unavoidable for those with important roles.

Sport

Sport is an integral part of life at Dulwich College, and we are always striving to engender the importance of an active and healthy lifestyle in our students. With numerous sport CCAs on offer over the academic year, we hope that every child can find their niche within the sporting context. In addition to the Sport CCA programme, students will also have a range of lunch-time (non-CCA) recreational sporting activities to engage with. Please note, these sports are not included in this handbook.

The philosophy of the PE Faculty is to ensure range across the CCA programme, allowing students to develop within a variety of sports. We encourage parents to emphasise this with their child when assisting them with the selection of their CCAs. Keeping students hungry for participation in their favoured sport, whilst learning transferable skills, which will put them in good stead for success and contribute to children enjoying an active and healthy lifestyle for life.

U19 ACAMIS CCAs may commence/finish mid-Term. This is due to alignment of the Sport seasons and participation in tournaments.

Whilst there can be no 'one size fits all' model, and there will be some exceptions to the above, we feel that this alignment will provide greater consistency for students without causing disruption as the seasons change. We very much hope that students will strive to become committed to the programme all year round, even outside of their preferred interest, providing an opportunity to broaden their skill base.

All Sport CCA communication will be managed through SchoolsBuddy, including fixtures. It is therefore imperative that students are signed up accurately for the various programmes during the year to ensure parents receive timely and accurate information.

SchoolsBuddy Information

SchoolsBuddy is the platform the College uses to facilitate our CCA programme, as well as many other aspects of College life, including parent-teacher conferences, event ticketing, and trips. We have adopted this system because it enables us to consolidate many different computer systems into one, and provides a simple communication solution between parents and teachers.

SchoolsBuddy Log-In

When you first join the College, you will be provided with an invitation email which will give you step-by-step instructions on how you can activate your SchoolsBuddy account. If you have not received your email, you may contact the relevant School Office for assistance:

- DUCKS: dcsz.dsschooloffice@dulwich.org
- Junior School: dcsz.jsschooloffice@dulwich.org
- Senior School: dcsz.ssschooloffice@dulwich.org

Accessing SchoolsBuddy

1. Accessing the SchoolsBuddy Mobile App

- Apple iPhone: Search "SchoolsBuddy" in the App Store
- Android: Search "SchoolsBuddy" in the Google Play Store

OR if you do not have access to the Google Play Store on your Android phone:

Copy and paste the link below into your MOBILE browser to download the Android App

<https://asia1.schoolsbuddy.blob.core.windows.net/logos/schoolsbuddy-android-1.0.4.apk>

2. Accessing SchoolsBuddy from your computer:

Open this CCA handbook on your computer, then copy and paste the following link into your browser:

<https://dcsz.schoolsbuddy.net/>

SchoolsBuddy Emails

After making your selections on SchoolsBuddy, you will receive an initial SchoolsBuddy generated email which will provide acknowledgement of the CCAs your child/ren have applied for - **this is not a confirmation email that your child/ren has been successfully placed into their preferred CCA/s.**

Once the registration period closes and CCA participation has been decided, you will receive a follow-up SchoolsBuddy generated email/s advising which CCA/s your child/ren was allocated/not allocated to.
