FoD
MISSION

We accomplish our mission through various ways.

For sports enthusiasts, FoD offers specialised teams to play badminton, tennis, golf, Pilates, football, cycling etc.

Parents with a penchant for the culinary arts, enjoy Cookbook Club.

Those inclined towards charitable endeavours find cheer in committees like the Eco-Panthers, where sustainability conscious parents organise events such as a school-wide flea market sale. Fundraising efforts for student-led charities are also championed by committees for Used Uniforms Sales, Used Books Sales, and Bake Sales. Thanks to the efforts of these committees, *FoD donated a total of RMB 150,000* to various student led charities in the academic year of 2023-2024 alone!

These initiatives represent just a glimpse of the multitude of activities and events that FoD offers. **Join us to:**

- ♦ Spend time with *other Dulwich parents*
- ♦ Make a **difference**
- ♦ Explore new passions
- ♦ Be a LEADER
