

Below is the list of approved devices for students who need to purchase a new device for the academic year 2024-25.

- For existing Senior School students, a new device is only required when the previous device has reached its end-of-life.
 - New students may choose to purchase a new device, or to bring a used device to school.
- ⚠ If you are choosing to bring a used device, please make sure that it meets the minimum requirements, and please contact Admissions if you have any questions.
