

HOW TO PLAY CRYPTO LOOP FOLLOW ME CARDS

1. Start with any one loop card, decipher the code in the letter identifier box and write the letter in the start circle.
2. Decipher the question, then go and find its answer in another loop card.
3. Repeat until you form a loop, back to the answer on the card of your first question.
4. Bonus: Decipher the letters in the loop to form a word in the English dictionary! +5points
