

To the Students, Parents, Staff, and Alumni of Dulwich College Beijing,

It is with heartfelt warmth that I extend my congratulations to the entire Dulwich College Beijing community on this remarkable milestone – your 20th Anniversary. Two decades is a significant marker, a time to reflect on a journey that began with a clear vision and has since blossomed into a vibrant reality.

Looking back at those early days, when the original Legend Garden campus was home to just a few hundred pioneering students, and seeing the thriving institution DCB has become today — a diverse community of over 1,500 students from more than thirty nationalities — fills me with immeasurable pride. We should celebrate the dedication of our school leadership, teachers, and staff, whose efforts have shaped DCB's success over the years, and in particular, we should honour our amazing students of all ages, who have made DCB what it is today.

The excellence of a school cannot be measured in results alone, but this year's IB results, with a cohort of 71 students delivering an average score of 39 and nearly 50% achieving over 40 points, is truly remarkable. Our students go on to attend some of the world's best universities. This year's cohort received hundreds of offers from renowned institutions including Oxford, Cambridge, Cornell, Brown, Columbia, University College London, the London School of Economics, Emory, Dartmouth, and The New School's Parsons School of Design, just to name a few. With over 10 percent of our graduates gaining admission to the Ivy League, Oxford, or Cambridge, this is evidence of the clear advantage DCB gives our students for admission to these prestigious universities. With Dr Cameron Pyke leading DCB, we look forward to an exciting new year as we launch into DCB's third decade.

This journey would not have been possible without so many dedicated individuals. We have a remarkable 36 staff who have served our community for 20-plus years. I would like to thank those who continue to be with us since 2003 and 2004: Imelda Acosta, Jacob Dong, Oliver Du, Amy Gao, Joe Guo, Kelly He, Maureen Huang, Suzanna Jiang, Cici Jiang, George Jiang, Jian Guo Li, Cherry Li, Li Xin Li, Sarah Liang, Amy Liu, Sylvia Liu, Lisa Liu, Enya Ma, Emma Sun, Iris Tian, Klaudia Tomaszun, Rain Xiao, Julia Xiao, Rebecca Xue, Angela Wang, Daisy Wang, May Wang, Wayne Yang, Ena Yao, Paco Zhao, Maggie Zhang Xin Yu, Amy Zhang, Tracy Zhang, Melonie Zhong, Nina Zhou, Tina Xu and Ellen Xu. I also would like to acknowledge Becky Jing,

Kate Beith and Cynthia Maclean who were on the founding team at DCB and still are a vital part of the EiM group.

As we celebrate this significant anniversary, the world continues to present new challenges and opportunities, and the need for thoughtful, resilient, and globally minded young people has never been greater. I am incredibly proud of how DCB inspires the next generation of changemakers.

Thank you for two decades of excellence, community, and unwavering spirit. Here's to the continued success of Dulwich College Beijing.

With gratitude,
