## CLASS OF 2025 UNIVERSITY DESTINATIONS

## OUR SCHOOL

Dulwich College Seoul (DCSL) is a British independent international school serving 715 students, of whom 25 are in the Class of 2026. Up to Year 9 (Grade 8) they follow the English National Curriculum, enhanced to meet the needs of our international student body. In Years 10 and 11 (Grades 9 and 10) they follow the International General Certificate of Secondary Education (IGCSE), a two-year course culminating in externally assessed examinations. In Years 12 and 13 (Grades 11 and 12) all our students enter and complete the IB Programme. English is our language of instruction and all our students speak fluent English.

## SCHOOL CALENDAR

The school year is 181 days, running from mid-August to late-June. It is divided into three terms.

## CO-CURRICULAR ACTIVITIES

Our students are encouraged to participate in activities that build team and leadership skills, such as Model United Nations (MUN), Charity Committee, Student Council, Sustainability Club and drama productions. We have a varied sports programme and students compete in conference play with international schools in Asia. Students in Years 7-12 participate in an adventurous journey, or charity project each year as part of our Dulwich Adventure programme, the Duke of Edinburgh International Award. Students in the Senior School work to ensure they are meeting Creativity, Activity and Service (CAS) goals throughout their time in Senior School. This prepares them well for the IB Diploma programme.

## ACADEMIC PROGRAMMES

### IGCSE - Years 10 and 11 (Grades 9 and 10)

Students take up to 10 individual examination subjects in the International General Certificate of Secondary Education (IGCSE) course. It is common for our students to study an accelerated mathematics and/or Chinese programme within the IGCSE. Students on an accelerated programme for mathematics receive an IGCSE Mathematics grade in Year 10 and IGCSE grade for Additional Mathematics in Year 11. Those on an accelerated Chinese programme receive a grade for Mandarin as a Foreign Language in Year 10 and a grade for Mandarin as a Second Language in Year 11. All our students take IGCSE Coordinated Science. They study physics, chemistry and biology as separate subjects and are awarded one IGCSE grade (equivalent to two subjects). IGCSE grades are on a scale of A\* to G for Cambridge subjects and 9 to 1 for Pearson subjects.

### IB Diploma Programme - Years 12 and 13 (Grades 11 and 12)

All DCSL students start the International Baccalaureate Diploma Programme (IBDP) in Year 12 (Grade 11) in preparation for university.

## GRADING

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is continuously assessed. DCSL reports triannually using pre-established, standards-based performance levels. Years 10 and 12 conclude with internally assessed exams while Years 11 and 13 conclude with externally assessed examinations.

## DISCIPLINE POLICY

DCSL reports all out-of-school suspensions and exclusions that occur as a result of disciplinary incidents that raise significant concerns about a student's academic integrity or has a significant impact on the wellbeing of the student or others within the community.
