Payment Terms

Tuition fees may be paid annually or by term, with the exception of Year 13 students who must pay annually. Tuition fees paid annually enjoy favourable rates compared to fees paid by term. Each term's tuition fees and all other sums for which the parent/guardian is liable must be paid before the beginning of the College term. Whether tuition is paid by the parent/guardian or the employer of one of the parents/guardians, the parent/guardian shall take full responsibility to ensure that tuition fees are paid in full before their child may begin classes at the College. Families with 3 or more children enrolled in full day programmes are entitled to a discount of 5% per student.

The College reserves the right to request annual fees in certain cases, where previously, there has consistently been late termly payments. The final decision on application of this clause rests with the Director of Business Administration.
