## 1. Purpose of Policy

The purpose of this policy is to provide clarity and guidelines on the admissions procedures adopted by Dulwich College Singapore (“the College”) for the different Year Groups.

## 2. Scope

This policy covers the admissions criteria for students, from Toddler to Year 13. It also provides information regarding admissions for students with Additional Education Needs (AEN), overseas candidates, as well as Singapore Nationals or Singapore Passport holders.

## 3. Policy Details

Reference should be made to DCSG Admission Policy for details.

The Admissions Department will review the policy and process for admissions once every two years or as and when necessary for continual improvement.

## 4. Implementation Details

### A. Acceptance to Dulwich College (Singapore)

Following receipt of an offer of a place at Dulwich College (Singapore), the parent/legal guardian is given 2 working days to accept and 7 working days to pay the \$4000 Enrolment Fee. Once the offer of a place is accepted and Enrolment Fee paid, the parent/legal guardian will receive the advisory note and Private Education Institute (PEI) Student Contract for their review and signature through DocuSign. They will then be given 7 working days to sign and return the Student Contract. Thereafter, an invoice will be issued for payment to secure the student's place at Dulwich College (Singapore).

### B. For Students requiring a Student Pass

Upon acceptance of the offer of a place by the parent/legal guardian, the Admissions Team will apply for a Student's Pass via the Immigration Checkpoints Authority (ICA) SOLAR + System. The Admissions Team will inform the parent/legal guardian once the College has received the In-Principle Approval Letter (IPA) for the Student Pass, along with the following information:

- Course Start Date
- Medical Checkup (if applicable)
- ICA Formalities and collection of student pass (when ready)

Note: Should the Student's Pass application be rejected, an appeal would be submitted if requested by the family. If the appeal is not successful, the admission process shall be terminated. The College will also offer refund of tuition fees and Enrolment Fee upon approval by the College Leadership Team.

### C. Course Fee Collection and Fee Protection Scheme (FPS)

After the parent/legal guardian has signed the Standard Student Contract and Advisory Note, the School will proceed with course fee collection, in accordance with the DCSG Fee Collection Policy. Next, the Accounts Receivable Assistant will proceed with the necessary FPS procedures by adhering to the process stated in the Fee Protection Scheme Policy.

#### **D. Update of Student Register**

Prior to enrolment, the Admissions Team will transfer the following information, which is held in the prospective student's record, on OpenApply into the School's Student Management System (SMS): The information submitted within the Application Form and medical information.

#### **E. Monitoring Process for Student Admission**

The completion of the admissions process is indicated on the Internal Audit Checklist on OpenApply for each individual applicant.

The Checklist covers the key stages of the application process including payment of the Application Fee, the Head of School's approval of the applicant for entry, the sending of the Offer Letter to the student's Parent/Legal Guardian and the payment of the Enrolment Fee. The Admissions Administrator/Officer responsible for the applicant will then indicate the completion of the process by signing off the checklist. The Internal Audit Checklist ensures the required documents have been submitted as part of the application ahead of the student's enrolment. The Internal Audit Checklist, together with rest of the relevant student selection and admission documents will be stored in the individual student's profile in OpenApply.

The Head of Admissions and/or Director of Admissions and Marketing will double check that all Internal Audit Checklists have been completed in advance of the new joiners' entry to the College.

#### **F. Student Orientation**

Following the student's enrolment, their Parent/Legal Guardian will receive welcome information via email. Dependent on the year of entry, the information may include all or some of the following:

- Access to the Parent Portal
- Dates of the Meet the Teacher Sessions
- Dates of Curriculum Talks
- Bring Your Own Device (BYOD) – Acceptance Policy
- How to order Identification Cards to permit entry on the School premises
- School Uniform list
- Details of Bus Registration
- How to order lunches

- How to register for Co-Curricular Activities (CCAs)
- Information about the Friends of Dulwich (FoD), our parent community
- A medical consent form for completion in advance of the child starting school
- The School Contact List

Before the start of each new academic year, Dulwich College (Singapore) runs an Orientation Day for both students and their parents/legal guardian. Students will meet their new teacher/tutor and are invited to tour the campus to familiarise themselves with the setting. On the first day of attendance at the School, all students receive their timetable and an introduction into day-to-day processes. Senior students also receive an ICT induction which includes setting up their devices for School network access. Parents receive pink lanyards to indicate their 'new parent' status during the Orientation Day or on the first day of School.

Each of the 3 Schools (DUCKS/Junior School/Senior School) will conduct their own orientation for students and parents/legal guardians, where key information regarding the curriculum, student learning and behavioural expectations may be shared.
