1. Purpose of Policy

The purpose of this policy is to provide clarity and guidelines on the admissions policies adopted by Dulwich College (Singapore) (“the College”) for the different Year Groups.

2. Scope

This policy covers the admissions criteria for students, from Toddler to Year 13. It also provides information regarding admissions for students with Additional Education Needs (AEN), overseas candidates, as well as Singapore Nationals or Singapore Passport holders.

3. Policy Details

A. Admissions to Dulwich College (Singapore)

Admission to Dulwich College (Singapore) is determined by a number of factors. Applicants are admitted based on the student’s ability to succeed socially and academically in our dynamic learning environment as well as demonstrating a good work ethic, a history of school-appropriate behaviour, and a desire to attend the College. To be successful at Dulwich College (Singapore), students must be willing to work hard and be committed to our

programme. Teachers provide the support necessary for students to become confident, independent learners. Additionally, we expect parents to be supportive of and to be involved in their child's education. It is the student, however, who is responsible for putting forth the effort to meet the school's academic expectations.

Dulwich College (Singapore) expects students and parents to understand and support the school's aim to serve a diverse population. The College's students come from a diverse range of racial, ethnic, cultural and socioeconomic backgrounds. The administration, teachers, students and parents are always working to maintain an environment that is welcoming for all students. Dulwich College (Singapore) is committed to safeguarding and promoting the welfare of children and young people in our school. We expect all staff and volunteers to share this commitment.

The decision to offer a place to a prospective student will be taken by the individual Head of School to which the student has applied. The Head of School will be supported by the Head of College, the Director of Admissions & Marketing and the Head of Admissions. Admission is based on academic evaluation and assessment, English proficiency, past school records, teacher recommendations, and any diagnostic testing that will help the Admissions Committee to understand any special learning needs an applicant may have. Year level placement will be determined by the birth date of the applicant and his/her age on 1 September of that academic year.

B. Admissions Criteria

Students wishing to enrol into the College must hold a foreign passport and valid FIN number, IC number if they are PR, or if they are Singaporean Citizens above P1 age, a Ministry of Education Waiver before being allowed to attend Dulwich College (Singapore). All students wishing to enrol into Dulwich College (Singapore) are required to complete the online Application Form, provide all relevant supporting documentation and make payment of the Application Fee of \$1,000. The Application Fee is strictly non-refundable and non-transferable.

Enrolment is subject to the admissions criteria set out below.

Year Group Placement

Students will enter the College at their appropriate year level. It is the policy of the College to place students in age-appropriate year groups as shown in the guide to year levels below. Students entering Toddler in the August of any specific year must have turned two by 1 September. Students entering Nursery must have turned three by the 1 September cut-off date, students entering Reception must have turned four by 1 September cut-off date and so on as we progress through the College. Students will be placed in Year Groups according to their date of birth. Exceptions are made only in extraordinary circumstances and the final decision is made by the Head of College.

Students applying for Toddler, Nursery or Reception

Students entering Toddler must be breast/bottle independent during the day. Students entering Nursery must be able to use the toilet independently. Parents may be requested to complete a Developmental Checklist. All applicants for Nursery and Reception will be assessed and their applications reviewed by the Head of DUCKS prior to a place being offered.

Students applying for Years 1-2

Students applying for entry into Year 1 and Year 2 must submit current and previous school reports and will be assessed either at the College or, if overseas, in the form of a Confidential Report that must be completed by their current teacher. The application will be reviewed by the Head of DUCKS prior to a place being offered.

If an applicant is successful in joining the Year 2 cohort but lack of confirmed availability prevents the offer of a place, the applicant will be informed and rolled over into the Applicant Pool for admission in the following academic year. However, placement into Year 3 is not guaranteed and an additional computer-based assessment will be required prior to offer.

Students applying for Junior School (Years 3-6)

Students applying for admission to the Junior School must submit current and previous school reports and also undertake assessments to ensure they can access the curriculum. The Cognitive Ability Test (CAT) consists of verbal, quantitative, spatial and non-verbal assessments. Students will also complete a 30-minute writing assignment. The test results and school reports will be reviewed by the Head of Junior School prior to a place being offered.

Students applying for Senior School (Years 7-11)

Students applying for admission to the Senior School must submit current and previous school reports and undertake assessments to ensure they can access the curriculum. The MidYIS and Yellis tests consist of verbal, quantitative and non-verbal assessments. Students will also complete a 30-minute writing assignment. The test results and school reports will be reviewed by the Head of Senior School prior to a place being offered.

Students applying for the International Baccalaureate Programmes (Years 12-13)

Students applying for admission to the Upper Senior School (IB Diploma Programme (IBDP) / IB Career-related Programme (IBCP)) will usually be required to submit certificates of IGCSE results (if applicable) as well as a confidential reference from the Principal/Head of the respective schools. A student will be expected to be capable of or have achieved the equivalent of IGCSE grade B and above in subjects they wish to study at Standard Level and A and above for Higher Level (or its equivalent in the new 9-1 system). In addition, the student may be required to sit for subject specific entry tests for their preferred HL subjects.

For Students from schools where the curriculum is not based on IGCSE, a confidential reference will be requested from the Principal/Head of the respective school, along with transcripts/records of grades from the students' recent school. For Students following MYP, the College will be looking for grades between 5-7 and whether they have participated in e-assessment. In addition, students will be required to sit subject specific entry tests for their preferred HL subjects.

All students applying for entry into the IBDP/IBCP are required to sit a Yellis test, a 30-minute writing assignment as well as undertake an interview with the Deputy Head, Upper Senior School or IBCP Coordinator.

The applications will be reviewed by the Deputy Head, Upper Senior School and Head of Senior School before placements are confirmed by the Admissions Team.

English Language of Parent

As English is the language of instruction at the College we require at least one parent to be fluent in English to support effective communication between the College and home.

Every applicant is required to provide a short video of the students introducing themselves and speaking about a topic of their interest.

C. Additional Educational Needs (AEN)

Whilst Dulwich College (Singapore) is a selective school, candidates with Additional Educational Needs (AEN) are accepted to the College on a case-by-case basis. The College's AEN teachers work with students, their teachers, and their families in order to assist them in reaching their potential and overcome challenges in school.

The learning support department will arrange appropriate provision to meet the needs of the individual and / or cohort of students who require support at any given time. Students may be given small group support when specific provision is needed for students with identified learning difficulties. In each instance, the student(s) will follow a structured programme to address their needs. The programme will be determined by the learning support specialist in collaboration with parents and colleagues both internal and external to the school. All small group programmes will be by arrangement and agreement of parents and will be reviewed annually.

The College has numerous connections and partnerships with different agencies in Singapore to ensure that should the need arise; the College is able to recommend appropriate external support. The College also has direct links with Occupational Therapists and Speech and Language therapists who (where there is space and the need) are able to come into school to work with children who have been identified as needing support.

The AEN team works in close collaboration with all aspects of Student Support Services to ensure that a multi-disciplinary approach to support is sought where appropriate. The College will only admit those students for whom it can make adequate provision of support.

D. English as an Additional Language (EAL)

Dulwich College (Singapore)'s EAL team falls under the umbrella term of Additional Educational Needs department, which is part of the Student Support Services Faculty.

The College does not run specific or separate EAL programmes, and applicants are expected to have a proficiency in English that allows them to access the curriculum. However, applicants who are being considered for admission and are identified as needing a small degree of EAL support will be asked to undergo an assessment by an EAL teacher within the College. The level of a student's English may determine their subject options in the IGCSE or IBDP/IBCP years.

E. Overseas Candidates

Arrangements can be made for the entrance assessments to be administered at the candidate's current school or through an approved external assessment Centre (e.g. British Council). The current school or assessment centre may impose a fee to facilitate the testing and these costs are to be borne by the parents. Students applying for Year 12 from overseas are able to conduct the interview portion online.

F. Singapore Nationality/Singapore Passport Holders

A child is deemed to be a Singapore Citizen if they hold a Singapore passport or is a citizen of Singapore, regardless of whether they hold dual nationality. Singapore Citizens can only submit an application to attend Dulwich College (Singapore) if one or more of the following criteria is valid:

- I. Is applying to join Y12, or DUCKS for the 2024-25 or 2025-2026 academic year in either Toddler, Nursery or Reception
- II. Returning Singaporeans from overseas and above P1 age, or is above P1 age and is already in possession of an MOE exemption
- III. Has a sibling in the school at the intended time of enrolment

- IV. Is a qualified child of an OA (Old Alleynian) or IOA (International Old Alleynian)
- V. Transfer students from other Dulwich Colleges
- VI. Transfer from another international school in Singapore, a Ministry of Education exemption must be obtained before enrolment at the College.

For Singapore Citizens above P1 age, once the College has agreed to offer the child a place, the College will apply to the Ministry of Education for an exemption. Please note that Singapore Citizens above P1 age can only attend the College once the Ministry of Education has granted the exemption.

For those students who are already enrolled in the College and are above P1 age, no exemption will be required should they become a Singapore Citizen after.

If a currently enrolled student chooses to withdraw from Dulwich College (Singapore) after successfully securing an MOE exemption, the College cannot provide assurance of the student's return should they wish to do so in the future, for the following reasons:

- The College's MOE exemption quota is carefully managed alongside the number of enrolled Singaporean students at any one time. The College therefore cannot guarantee sufficient quota to support a future application for a returning student.
- There is no guarantee that a previously successful exemption application will be supported by the MOE in the future.

G. Applicant Pool

Once the initial application has been received (a completed Application Form, all supporting documentation and the Application Fee), arrangements will then be made for the appropriate assessment to be conducted. Assessments will be conducted no more than 12 months before an applicant's intended enrolment date. Once the assessment is completed, the application will be considered completed, the candidates will be placed in the Applicant Pool and their application will be reviewed by the Head of School.

Once the Head of School has determined whether the applicant has met the entry requirements, the candidate is ready to receive an admissions outcome. The College will provide an admissions outcome for applications completed prior to the 'Application Completed' deadlines outlined below. Applications may still be submitted and completed after the deadline, and the College will endeavour to provide an outcome as soon as possible. However, it is possible that the outcome timeline as indicated above may not be met for these applications.

Application Completed	Entry Term	Outcome Confirmation
By 31 October	January (Term 2)	November
	April (Term 3)	March
	August (Term 1)	November (<i>early offers</i>)
By 1 March	April (Term 3)	March
	August (Term 1)	March (<i>2nd round offers</i>)

Applicants who complete their application by 31 October may receive an early offer in November, at the discretion of the College. Offers for Term 2 entry in January will also be confirmed at this time. However, for the majority of applicants, the outcome of the application will be confirmed in March once the College has a more accurate view of the availability in each year group for the new academic year.

Parents will be notified of the outcome of their child's application by email. There will be a number of applicants who meet the level for academic selection but who do not receive an offer in March due to lack of confirmed availability. In this instance, the applicant will be informed and rolled over into the Applicant Pool for admission in the following academic year. These applicants will receive an offer as and when places become available in the meantime.

Applicants may remain in the Applicant Pool for a maximum of two academic years. After that time, they must reapply in order to continue to be considered for admission. The College reserves the right to re-assess applicants who have been in the Applicant Pool for 12 months or more since their initial assessment.

Priority in the Applicant Pool will be given to:

- a child of a full-time member of staff
- a child with a Guaranteed Placement Right
- a child transferring from another Dulwich College
- a qualified sibling (who meets the requirements set out in this policy) of a current student who has accepted a place to join the College

- The qualified child of an Old Alleynian (OA) or International Old Alleynian (IOA) who meets the requirements set out in this policy

Note: Whilst the College will endeavour to provide an application outcome to all applications completed prior to the timelines provided, the College reserves the right to withhold an outcome until any additional criteria have been satisfied.

H. Offered

Parents of successful candidates will receive a formal offer letter by email. The Enrolment Fee of \$4,000 is immediately payable after successful entry assessment. The Enrolment Fee is non-refundable and non-transferable, except in the following circumstances:

- The ICA rejects a Student's Pass application.
- The MOE rejects an exemption for a Singaporean citizen to study at Dulwich College (Singapore). [NOTE: a child is deemed to be a Singapore citizen if they hold a Singapore passport or are a citizen of Singapore, regardless of whether they hold dual nationality].

Once the Enrolment Fee has been received, parents will be issued with the Student Contract to sign and send an invoice for the Capital Levy (\$4,500) and first term's tuition fees.

Students must hold a valid FIN number (IC number for PR/Singapore Citizens) prior to enrolment at the College.

**The College has the right to revoke an offer that has been made at any point (before the student contract has been signed) if they have been made aware of any additional information that could affect the candidate meeting the College's entry requirements.*

I. Declined

If throughout the admissions process it is determined that a student is unable to meet the College's entry requirements or that the College is not the right learning environment for them, an offer will not be made. The College is not under any obligation to release the results of the assessment tests. Unsuccessful applicants may reapply the following year.

J. Deferral & Non – Acceptance of Offer

If the applicant wishes to defer their place at Dulwich College (Singapore) after an offer of a place has been made, the College will permit one deferral for one academic year. The applicant's place at the College for the new academic year is not guaranteed and will be subject to reassessment and availability. Parents can only defer their child's offered place for up to one year without incurring additional fees. An application fee will be charged again for deferment beyond one year.

If the applicant subsequently declines the offer of a place, having already accepted and deferred, the application fee is non-refundable.

K. Guardianship

In order to be considered for enrolment, a student must be living at the same residence in Singapore with one or more parent or with a legal guardian who has been previously approved by Dulwich College (Singapore). One parent (or the approved guardian) is required to be fluent in English to ensure effective communication between school and home. The College reserves the right to refuse a candidate's application if we believe that the child is not/will not be living with parents or an approved legal guardian. Students enrolling in Year 12 /13 may also choose to reside in the College's approved boarding provider, ACS Oldham Hall.

L. Immunisations

As one of the pre-requisites for application and subsequent enrolment, if the student is accepted, parents are required to submit vaccination records for Diphtheria and Measles as Dulwich College (Singapore) follows the mandatory requirement by the Ministry of Health as set out in the Fourth Schedule of the Infectious Diseases Act (Cap 137).

M. Returning Students

Students who were enrolled at the College for one term or more and had to withdraw from the College due to family relocation will be considered for re-enrolment provided there is sufficient availability in the applicant's year group.
