Collecting Pupils

A late school bus will be available on Tuesday, Wednesday, and Thursday at 4:40 pm. Pupils can take the late bus home from College after CCAs, or parents can collect their children after CCAs.

On Monday and Friday, there will be no late school bus, and pupils must be collected by parents from College at the end of the CCA. While most CCAs end at 4:30 pm, some may end later. Please check the end time for your child's CCAs to be aware of the pick-up time. If your child is in a CCA that ends after 4:30 pm, they must either leave the CCA early to take the late bus or be picked up from school.

Externally Provided Activities and Payments

If your child is participating in an externally provided activity, please make payment to the external provider within the first two weeks of CCAs beginning.

If a CCA is canceled due to unforeseen circumstances, we will arrange a refund or make-up class. The CCA department will inform parents of the details if such an arrangement is needed. Please note that refunds or make-up classes will not be arranged for students who withdraw partway through the term or miss a lesson due to personal issues.

We encourage students to continue and complete the CCA they have been allocated to. By signing your child up for externally provided CCAs, you are agreeing to allow the College to share your email address with the external providers so that they can contact you.

If you have any questions about the programme, please feel free to email us at cca.shanghaipuxi@dulwich.org.

Thank you for your continued support.

Best regards,

Mr Stanton
