Collecting Pupils

A late school bus will be available on Tuesday, Wednesday, and Thursday at 4:40 pm. Pupils can take the late bus home from College after CCAs, or parents can collect their children after CCAs.

On Monday and Friday, there will be no late school bus, and pupils must be collected by parents from College at the end of the CCA. While most CCAs end at 4:30 pm, some may end later. Please check the end time for your child's CCAs to be aware of the pick-up time. If your child is in a CCA that ends after 4:30 pm, they must either leave the CCA early to take the late bus or be picked up from school.

Externally Provided Activities and Payments

If your child is participating in an externally provided activity, please make payment to the external provider within the first two weeks of CCAs beginning.

If a CCA is canceled due to unforeseen circumstances, we will arrange a refund or make-up class. The CCA department will inform parents of the details if such an arrangement is needed. Please note that refunds or make-up classes will not be arranged for students who withdraw partway through the term or miss a lesson due to personal issues.

We encourage students to continue and complete the CCA they have been allocated to. By signing your child up for externally provided CCAs, you are agreeing to allow the College to share your email address with the external providers so that they can contact you.

If you have any questions about the programme, please feel free to email us at cca.shanghaipuxi@dulwich.org.

Thank you for your continued support.

Best regards,

Mr Stanton

Students signing up for the Senior School production CCA must attend auditions. Those who successfully secure a role in the show will become part of the Senior School CCA. However, those not making it through the audition process will need to select an alternative CCA. It's important to note that the High School production will require a high level of commitment.

Rehearsals on Wednesdays will conclude late, at 5:30 pm, and students will be responsible for arranging their own transportation home. Additionally, there will be approximately four full Saturday rehearsals, scheduled for May 18th and June 1st, with two other dates to be confirmed. There will also be some extra after-school rehearsals. The performance dates are set for June 14th. Audition information will be published during the first week of December. If you have any questions, please email Mr. Sullivan.

If you want to get in the production, you may choose the Senior School Production as your first option, and in case you don't make it through the audition, please note that you need to choose another CCAs as back up so that we can manually add you into the back-up CCAs.
