Tuition and bus fees are paid annually or termly. Capital Levy is due for new students only. Tuition Fees, Capital Levy, and all other sums for which the parent/guardian is liable must be paid on/before the due date indicated on the invoices. Families with 3 or more children enrolled in full day programmes are entitled to a tuition discount of 5% per student. The terms for payment and refund are set out in detail in the Terms and Conditions Governing Enrolment and Admissions to Dulwich College Seoul.

Acceptance and Placement Deposit

Applicants accepted for admission will receive an invoice following the acceptance letter. Upon notification of acceptance, parents are invited to confirm their intention and pay placement deposit (refund policy subject to Terms and Conditions). If payment is not made by the date specified in the invoice, the applicant's place will be forfeited and may be given to another applicant. No student will be allowed to attend class until his or her Tuition Fees, Placement Deposit, Capital Levy, and other charges have been paid. Placement Deposit is not refundable if you cancel your admissions.

The Placement Deposit will be used as a credit for any unpaid fees or other sums due to the college when a student leaves the school. Until credited, it will form part of the general funds of the College. More details about the Deposit Refund Policy are set out in the Terms and Conditions Governing Enrolment and Admissions to Dulwich College Seoul.
