School Introduction

学校介绍

Suzhou Dulwich International High School Program originating from the A Level International Curriculum Department of Suzhou High School, established in 2007, the school is located at 360 Gangtian Road in Suzhou Industrial Park, adjacent to SIP SHS and Dulwich College Suzhou.

With world-class educational facilities and a highly international learning environment, the school has a team of over 130 Chinese and foreign teachers who support approximately 700 high school students. These students pursue the national high school curriculum as well as IGCSE and A Level programmes. The school prioritises students' needs, leveraging the advantages of the EIM educational group to provide distinctive learning experiences in the sciences, technology, humanities, and the arts through an innovative curriculum, learning spaces, campus activities, and advanced technology applications.

Students have consistently demonstrated outstanding academic performance. Since the school's establishment, it has produced 13 graduating classes, totalling nearly 2,000 graduates, many of whom have been accepted into the world's most prestigious institutions, including the University of Cambridge, the University of Oxford, other universities in the UK's Russell Group, Ivy League universities in the United States, and top institutions across Canada and globally.

THE DULWICH SCHOLARS PROGRAMME 德威学者计划

Gaining acceptance to the Oxford, Cambridge or Ivy League Universities is a long-term endeavor. Universities are not only looking for students with the highest exam grades, but also to excel in admissions tests, submit written work and tackle multiple interviews with leading professors. They are also looking for original, curious, and logical thinkers, who can use their current knowledge to look for new solutions. The aim of the DHSZ Scholars Programme is to enable students to master their subject, gain clarity about their future, and prepare them for a changing world. Students will work with their learning mentors and a small group of students in their chosen stream; to learn about their subject through discussion, research, group work, seminars, and debates.

被牛津、剑桥或常春藤盟校大学录取需要付出长期的努力。大学不仅寻找拥有最高考试成绩的学生，还希望他们在入学测试、提交书面作品和与教授进行多次面试时表现出色。此外，这些大学还看重学生的创造力、好奇心和逻辑思维能力，能够利用他们目前的知识寻找新的解决方案。德威学者计划的目标是让学生掌握专业知识，明确未来方向，并为不断变化的世界做好准备。学生将与他们的学习导师和小组同学合作，通过讨论、研究、小组协作、研讨会和辩论等方式深入学习专业知识。

The DHSZ approach and philosophy concerning university is to equip students to graduate from our school and then attend and graduate well from the "Best Fit" university. "Best Fit" is a practice of assisting each individual student to select the university that will best develop that specific student's academic performance, personal attributes and career goals. Graduates choose a wide range of subjects including natural sciences, medicine and medical science, literature, philosophy, film production, architecture, business and economics, engineering, computer science, education, psychology, art and design, foods and nutrition, hotel management and other fields.

苏州德威的宗旨是帮助学生进入“最合适”他们的大学并顺利毕业。“最合适”大学的理念和实践旨在帮助每一位学生选择与自身在学术优势、个人特性及职业目标上全面匹配的大学。毕业生选择的专业涉及广泛，包括自然科学、医药学、文学、哲学、电影制作、建筑学、商业与经济学、工程学、计算机科学、教育学、心理学、艺术与设计、食品营养学、酒店管理等领域。

UNIVERSITY & CAREERS COUNSELLING 大学升学指导

All students at DHSZ expect to attend universities outside of China and we take great care in preparing our students for their university applications. The university application process abroad is considerably more complex than the equivalent process in China; all our students attend classes and workshops that prepare them thoroughly to make informed best choices about the next stage of their educational journey.

我校所有学生毕业后都会远赴海外大学深造，而申请海外大学的手续比申请国内大学复杂很多，所以学校非常重视大学申请方面的准备工作。学生会参加升学指导课和研讨会，为他们申请大学做充足的准备，使他们能够在踏上未来教育之旅前做出最理智的选择。

Counselling Roadmap 升学路径步骤

DHSZ is the safe bridge for our students to university and we have a team of expert university counsellors to provide students and their parents with specific careers advice, practical help, and support. From the time each student joins DHSZ, our counsellors work with them on a regular basis to map out an individual plan to achieve a university place that fits their aims and suits their abilities. Our counsellors spend time with each student and their parents in individual sessions during the application process. Parents are also provided with support and information that helps them to become actively involved in the process. We hold various information sessions throughout the year and counsellors are available to talk to parents face-to-face on an appointment basis or by phone. By the end of Year 12, students will have researched numerous universities; they will have also gained skills in big data, analytical thinking and applying that knowledge in self-reflective exercises.

我校是学生通往心仪大学的坚实桥梁。我们拥有专业的大学升学指导团队为学生和家长提供明确的职业指导和切实的帮助与支持。自学生入学起，升学指导老师会定期和学生见面交流，为每个学生量身定制升学计划大纲，引导他们最终进入最适合自己的理想大学。在申请期间，升学指导老师还为学生和家长提供一对一的指导与咨询。同时，我们也为家长提供大学申请方面的信息与支持。每学年我们都会组织大学招生信息说明会。家长可以通过电话与升学指导老师交流或通过预约与老师进行面对面的沟通。到12年级结束时，学生不仅对大量的大学进行了研究，同时也掌握了大数据、分析性思维的技能、和自我审视的能力。

Furthermore, we bring the universities to our students. Our counselors have strong links with a wide range of excellent universities around the world and host visits to DHSZ from admission officers of over 150 of those universities since 2012. Students are able to spend time with these admission officers to discuss the majors they offer, as well as to find out general information about the country or university they represent. The proof of the excellent systematic support our students receive is the success our graduating students gain in admission to top universities. Our students go on to attend top research universities, liberal arts colleges, specialty universities and art schools around the world, including Oxford, Cambridge and other universities in the Russell Group in the UK; the Ivy League universities in the US; McGill and Toronto in Canada.

此外，我们还给学生提供许多与大学近距离接触的机会。升学指导团队与众多世界知名大学保持紧密联系，自2012年建校以来我校已接待超过来自150所世界顶尖大学的招生官，让学生有机会面对面与这些招生官交谈，和他们讨论这些大学提供的专业，更全面地了解国家和大学的相关信息。即将毕业的学生被他们心仪的大学录取就强有力地证明我们的学生得到了出色、系统的大学申请指导与支持。我校的大多数学生都被世界各地的顶尖研究型大学、文理学院、艺术学院等录取，这些大学包括牛津、剑桥以及英国罗素集团的大学、美国常春藤盟校和加拿大多伦多大学、麦吉尔大学等等。

The Worldwide Alumni Network (WAN) 智胜全球校友会

DHSZ graduates are all members of The Worldwide Alumni Network (WAN). Our graduates are offered lifelong opportunities to engage, learn, and contribute to our school. The WAN network offers mentoring, professional internships and placement support, service and giving, and community-building opportunities. We are pleased to welcome our alumni twice a year for our Homecoming events, which are always well-attended.

我校的毕业生都是“智胜全球校友会”(WAN)的成员。我们的毕业生可以终身参与、学习并为学校贡献。WAN提供指导、专业实习和就业支持、服务与捐赠以及社群建设等机会。我们很高兴每年邀请校友两次参加我们的返校活动，这些活动总是受到热烈欢迎。

TEACHING FACULTY 师资力量

We provide expert tuition and are uncompromising in our commitment to academic excellence. We recruit and retain highly qualified teachers and offer them professional development to ensure they are well-equipped to meet our students' needs.

Our teachers bring excellent subject knowledge, enthusiasm, and approachability to their roles. They play a key role in helping students transition smoothly into an English language-learning environment. As English is the language of instruction, we encourage all students to speak English both inside and outside the classroom.

Our teachers also support students in adapting to a challenging curriculum that promotes active participation and discussion, higher-order critical thinking, creative problem-solving, teamwork, and self-directed research. Good independent study skills are vital to academic success, and our teachers help students develop and maintain positive study habits. They are patient, caring, and empathetic, understanding that new students need time to transition to an international curriculum school.

Our teachers benefit from being part of the EIM group, actively participating in group-wide professional learning and accessing pedagogical resources to ensure they remain at the cutting edge of best educational practices.

Student-to-teacher ratio: 6.7:1, expat teaching staff: 80%, with teachers from 20 countries and 35% from the UK. Most of our teachers are graduates of first-class overseas universities. All teachers hold professional teaching qualifications, and the majority have master's and doctoral degrees.

我们提供专业的授课，并始终坚持对学术卓越的承诺。我们招聘和留用高素质的教师，为他们提供专业发展机会，以确保他们具备满足学生需求的能力。

我们的教师在教学中展现出卓越的学科知识、热情和亲和力。他们在帮助学生顺利适应以英语为学习语言的环境中发挥着重要作用。由于我们的授课语言是英语，我们鼓励学生在课堂内外积极使用英语交流。

教师还帮助学生应对充满挑战的课程，这些课程鼓励主动参与与讨论、提升高阶批判性思维、创造性的问题解决能力、团队协作和自主研究。良好的自主学习能力对学术成功至关重要，我们的教师引导学生养成并保持积极的学习习惯。他们耐心、关爱且富有同理心，理解新生在适应国际课程学校时需要时间过渡。

我们的教师从EIM集团的支持中获益，积极参与集团内的专业学习，获取教学资源，确保始终站在教育最佳实践的前沿。

我们学校的学生与教师比例为6.7:1，外籍教师占比80%，教师来自20个国家，其中35%来自英国。大多数教师毕业于世界一流大学，全部持有专业教学资格，且多数拥有硕士或博士学位。

BEYOND THE CLASSROOM

课堂延伸

CCA (Co-Curricular Activities)

课外联课活动

The Co-Curricular Activities (CCA) programme is an engaging and continually enriched offering that has developed over many years. We provide high-quality activities designed to foster collaboration and student leadership. Various sports teams have opportunities to compete with local schools and other Dulwich Colleges throughout the year, while our academic societies further engage students in subject areas they are passionate about. DHSZ is committed to fostering collaborative experiences across Dulwich campuses and strives to offer students opportunities to develop new skills beyond the classroom.

A unique feature of our programme is the integration of the 16 Sustainable Development Goals (SDGs) into each CCA. Students are required to participate in at least two CCAs, ideally including one from Team/Recreational Sports and one from Academic/Skills CCAs. Our objective is to provide a well-rounded education that balances physical activities with skills development, enhancing each student's profile for university applications and personal aspirations. By demonstrating commitment and continuity in their CCAs over time, students build perseverance—an attribute universities highly value in applicants.

Our most esteemed programme is the Student-Led CCAs. We believe that empowering students with agency and leadership opportunities is essential to supporting their future career and life choices.

Students at DHSZ can gain leadership experience in sports teams, as CCA leaders, in boarding, within the house system, as Dulwich Ambassadors, and on the Student Council. The Student-Led CCAs enable our students to practise and refine leadership skills in both small and large group settings.

我校的课外联课活动 (CCA) 项目是一个富有吸引力且持续创新的课程, 经过多年的发展, 已成为学校的重要组成部分。我们提供高质量的活动, 旨在培养学生的团队合作精神和领导力。学生有机会加入各类运动队, 全年可与本地学校及其他德威学校进行竞技, 而我们的学术社团则进一步激发学生对自己感兴趣学科的探索 and 热情。我们致力于推动德威各校园之间的合作, 并努力为学生提供课堂之外拓展新技能的机会。

我们项目的一大特色是将16项可持续发展目标 (SDGs) 融入每一项课外联课活动中。学生需至少参与两项课外联课活动, 理想情况下, 一项来自团队/休闲运动类, 另一项来自学术/技能类。我们的目标是提供全面的教育, 平衡身体活动与技能发展, 从而提升每位学生的大学申请竞争力和个人成长。在课外联课活动中的承诺和持续投入, 能够帮助学生培养毅力, 这一素质是大学尤为看重的。

在80+的课外联课活动中, 我们最为推崇的是学生主导的联课活动。我们坚信, 赋予学生自主权和领导机会对于他们未来的职业生涯和人生选择至关重要。学生可通过担任运动队成员、课外联课活动负责人、寄宿生活组织者、学院队长、学生大使以及学生会成员等职务积累宝贵的领导经验。学生主导的课外联课活动为学生提供了在不同环境中锻炼并提升领导能力的机会。

WWW (Week Without Walls) 无墙周

Each year in Term 1, pupils from Years 10 to 12 take part in our Week Without Walls programme, held in Qian Dao Hu, Lin'an, and Moganshan. This unique experience provides students with opportunities to develop new skills and a sense of agency. Team-building, leadership, organisation, resilience, and consideration for others are actively encouraged and nurtured in a safe yet challenging environment.

We strongly believe in the importance of students building relationships with their peers and teachers, fostering a sense of belonging within the Dulwich family. The skills and relationships developed during this period are invaluable, as they lay a positive foundation for students to excel both personally and academically.

This programme reinforces key Dulwich values: collaboration, empathy, confidence, and excellence. Research conducted internationally has shown that adventure learning positively impacts academic progress and self-confidence. Our goal is to offer students a holistic educational experience, which is central to the DHSZ curriculum. This experience also helps students develop outdoor and experiential learning skills that will support their future university applications.

每学年第一学期，10至12年级的学生将参与我们的“无墙周”项目，活动地点通常安排在千岛湖、临安和莫干山。这一独特的项目为学生提供了丰富的机会，帮助他们在实践中培养新技能并提升自我管理能力。在一个安全充满挑战的环境中，积极培育学生的团队建设能力、领导能力、组织能力、适应力和为他人着想的能力。

我们深知，与同学和教师建立紧密的关系、培养强烈的归属感对学生的成长至关重要。“无墙周”不仅帮助学生在个人发展和学术进步方面取得显著进展，也为他们提供了一个积极的社交平台，促进了深厚的友谊和团队精神。

该项目充分体现了德威教育的核心价值观：合作、同理心、自信与追求卓越。国际研究表明，冒险学习不仅能促进学术进步，还能有效提升学生的自信心。我们致力于为学生提供全面的教育体验，这也是我校课程体系的关键组成部分。此外，这一经历有助于学生培养户外活动和体验式学习的能力，对未来的大学申请具有重要的加分作用。

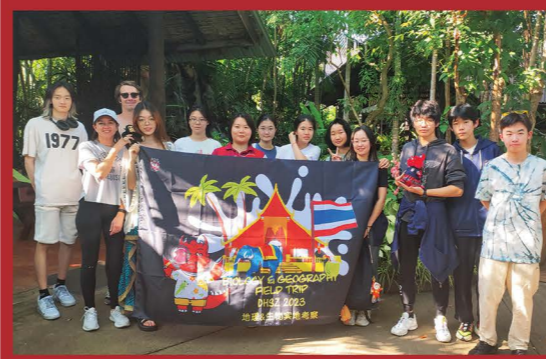

Trips 研学旅行

Our international residential trips offer students invaluable experiences beyond the classroom, providing a wealth of personal, social, and academic benefits. Through these immersive journeys, students gain independence, build resilience, and develop a global perspective by experiencing diverse cultures firsthand. These trips encourage students to step out of their comfort zones, fostering adaptability, problem-solving skills, and a deeper understanding of global issues. Additionally, students form strong bonds with peers and teachers, creating lasting memories and friendships. These enriching experiences not only support personal growth but also enhance students' profiles for future university applications, making them more well-rounded and globally minded individuals.

Our recent notable trips include our delegation to the Dulwich Olympiad in Singapore, the Biology-Geography trip to Thailand, and our annual summer UK Culture and University Exploration tour.

我们的国际研学旅行为学生提供了课堂之外的宝贵体验，带来了个人成长、社交能力和学术发展的诸多益处。通过这些沉浸式的研学之旅，学生们不仅通过亲身体验不同文化，培养了独立性和韧性，还拓宽了全球视野。这些旅行鼓励学生走出舒适区，提升适应变化的能力、解决问题的能力，同时加深对全球性问题的理解。此外，学生们与同伴和教师之间建立了深厚的友谊，创造了难忘的回忆。这些丰富的研学经历不仅促进了学生的个人成长，也有助于提升他们未来申请大学时的竞争力，使他们成为更加全面、具有全球视野的优秀人才。

近期的代表性研学旅行包括：参加新加坡德威奥林匹亚盛会、泰国生物与地理学结合的研学之旅，以及每年举办的英国文化与大学探索研学之旅。

Performing Arts 表演艺术

The arts are at the heart of a thriving school. Research shows that students who study the creative arts are more proficient in reading, writing, and mathematics and happier and more engaged with their studies.

Drama at DHSZ follows a spiral curriculum through which learners at each grade level investigate and deepen their understanding of Creating, Performing, Responding, and Connecting. Exploring their creativity encourages students to communicate effectively and enables them to develop resilience and self-awareness. Children grow in poise and focus, overcoming anxiety in front of others. This builds the skills necessary for future leaders who are comfortable presenting, leading others, and communicating at all levels.

艺术是学校蓬勃发展的核心。研究表明，学习艺术的学生在阅读、写作和数学上表现更为出色，并且在学业上更加积极投入且快乐。

我校的戏剧课程采用螺旋式课程体系，在每个年级阶段引导学生不断探索与深化“创作、表演、回应和连接”的理解。探索创造力不仅能够促进学生有效沟通，也帮助他们培养坚韧与自我认知。学生在自信与专注中不断成长，学会克服在他人面前的紧张情绪。这为未来领导者们的成长打下了坚实的基础，使他们能够自信地与他人沟通并展现出一定的领导才能。

Lifeskills 生活技能

At DHSZ, our purpose is to help our students “Grow in Dulwich, Thrive in Life.” We know our students will face challenges when transitioning to studying overseas. Our Lifeskills programme is one of the courses our alumni find most valuable once they graduate and move on to university. It offers a comprehensive Personal, Social, Health and Economic curriculum that helps to prepare students for life after high school. This includes topics such as managing relationships, staying safe online (Digital Citizenship), cooking, first aid, personal finance, the importance of sleep, and SRE (Sex and Relationship Education), among others. The curriculum is delivered across all year groups in an age-appropriate format. Our University and Careers Counsellors deliver some Lifeskills lessons each year, ensuring students receive personalised guidance throughout their time at DHSZ.

我们的目标是帮助学生“成长于德威，绽放于人生”。我们深知，学生在过渡到海外学习时将面临诸多挑战。而我们的生活技能课程正是毕业生进入大学后最为珍视的课程之一，该课程提供全面的个人、社交、健康与经济教育课程，旨在为学生高中毕业后的生活做好准备。课程内容包括管理人际关系、网络安全（数字公民意识）、烹饪、急救、个人财务管理、睡眠的重要性以及生理健康教育（SRE）等。该课程根据不同年级的需求，以适合其年龄的方式开展。我们的大学与职业规划老师每年会教授部分生活技能课程，确保学生在就读期间获得个性化的指导与支持。

Physical Education 体育

At our school, every student participates in a structured programme of Physical Education in weekly lessons, takes part in a sport-based co-curricular activity once a week and has the option to join a separate sports practice twice a week in order to compete against other schools in competitions. In Physical Education class, students are exposed to a variety of different sports and activities which are both fun and challenging. Throughout the year, students may learn touch-rugby, cricket, hockey, badminton, volleyball, football, basketball, netball or a variety of social games including Frisbee and kickball. We also offer dance, fitness and athletics. In addition, students learn leadership skills, responsibilities, personal ownership and confidence, through different roles within a team and sport setting.

在德威，每位学生每周都须参加系统的体育课，并至少参与一项运动相关的联课活动。在体育课上，学生会接触到各种有趣且富有挑战性的运动项目。全年课程可能涵盖触式橄榄球、板球、曲棍球、羽毛球、排球、足球、篮球、女子篮球，以及飞盘、垒球等社交性游戏。我们还提供舞蹈、健身和田径训练。此外，学生通过在团队和运动环境中的不同角色，学习领导技能、责任感、自我管理能力和自信心。

Dragon Spirit Time (Tutor time) 龙魂时间（导师辅导时间）

Dragon Spirit Time refers to our pastoral programme, which is part of the school day. All students are entitled to pastoral care in our school. Each student is assigned a tutor and a mentor, who will take a deep interest in your child's personal, social, and academic development. The objective of Dragon Spirit Time is to develop camaraderie within the tutor group, a sense of family, and, importantly, belonging. Research on social and emotional learning shows that students who feel a strong sense of connection among their peers and within their community feel safe and secure, enabling them to focus on their learning and personal development.

龙魂时间是学校日常时间表中的重要组成部分，代表我们的学生关怀计划。每位学生都能在学校获得全面的关怀与支持。学校为每名学生分配一位导师和一位辅导员，他们将关注学生的个人成长、社交技能以及学术发展，帮助他们充分发挥潜力。龙魂时间旨在培养导师小组内的团队精神，建立家庭般的亲密关系，并强化学生的归属感。研究表明，感受到归属与联结的学生更容易拥有安全感和信任感，从而在学习与个人成长中表现得更加专注和出色。

INSPIRING DISCOVERY

The House System 学院制

At DHSZ, every student becomes a member of a House upon joining the school and remains part of this House community throughout their time here. This longstanding tradition fosters a strong sense of loyalty and spirited, healthy competition among students.

Throughout the year, students participate in a wide range of inter-house competitions spanning sports and cultural activities, including drama, art, science, mathematics, coding, public speaking, music, and dance. At the end of each school year, Houses compete for the coveted House Cup—a celebration of the dedication, teamwork, and enthusiasm displayed by each House throughout the year!

在我校，每位学生在入学时都会成为一个学院的成员，并在整个在校期间始终隶属于该学院。这个历史悠久的传统培养了学生之间强烈的归属感，并激发了他们健康而富有活力的竞争精神。

在学年中，学生们会参加一系列学院间的比赛，涵盖体育、文化、戏剧、艺术、科学、数学、编程、公共演讲、音乐和舞蹈等领域。每学年结束时，各学院将争夺备受瞩目的学院杯奖——这既是对学院一年所展现的奉献精神、团队合作和热情的庆祝，也是对他们努力成果的认可！

Safeguarding 学生安全保护

Keeping all members of our community safe is of paramount importance. Students will hear the terms “Speak Out, Stay Safe” and “Safeguarding” often as we work to educate our community on how to protect themselves. Safeguarding refers to the education, policy and procedures that help to keep all members of our community, in particular our students, safe.

As an Education in Motion (EiM) school, Dulwich International High School Suzhou benefits from the extensive experience and expertise of an international group of schools in regard to community safety. This includes everything from completing reference and police checks on all staff, delivering regular training and educating our students on appropriate behaviour and where to seek support if they ever require it. Our message to our students is simple: Speak Out, Stay Safe!

确保我们社区所有成员的安全是至关重要的。学生们在校园中经常会听到“勇敢发声，确保安全”和“学生安全保护”这样的词语，因为我们始终致力于培养社区成员的安全意识。学生安全保护指的是通过教育、政策和一系列措施，确保社区内所有成员，特别是学生的安全。

作为EiM教育集团旗下的学校，苏州德威国际课程高中项目在社区安全方面受益于集团丰富的国际经验和专业知识。我们对所有教职员工进行背景审查和无犯罪记录核查，定期开展安全培训，并教育学生适当的行为规范以及如何在需要时寻求帮助。我们向学生传达的核心信息简单明了：勇敢发声，确保安全！

Wellbeing 学生身心健康

At DHSZ, we are dedicated to a holistic approach to student wellbeing, ensuring that every student feels connected, respected, and empowered. Our EiM Student Wellbeing Framework addresses five essential areas of wellbeing—Academic, Emotional, Social, Physical, and Mental Health—each crucial for fostering a balanced and fulfilling school experience.

Academic wellbeing promotes engagement, collaboration, and personal growth, creating a positive environment that nurtures students' love for learning. Emotional wellbeing equips students with resilience, mindfulness, and a sense of purpose, helping them confidently manage life's challenges. Social wellbeing fosters a supportive, inclusive community where students feel a strong sense of belonging and connectedness with peers and staff.

我们致力于采取全面的维护学生身心健康方案，确保每一位学生都能感受到归属、尊重和自我赋能。我们的EiM学生福祉框架涵盖了五个核心领域——学业、情感、社交、身体健康和心理健康——这些领域对于促进学生平衡且充实的校园生活至关重要。

学业健康致力于激发学生的参与感、合作精神和个人成长，创造一个积极的环境，培养学生对学习的热爱。情感健康则帮助学生培养韧性、正念和目标感，帮助他们自信地应对生活中的挑战。社交健康侧重于构建一个支持性和包容性的社区，让学生与同学和教职员工之间建立强烈的归属感和连接感。

OUR BOARDING PROGRAMME

住宿

At DHSZ, our boarding programme offers secure and comfortable accommodation to more than 40% of our students. We are very pleased to share that the DHSZ Boarding Programme was awarded the **International School of the Year Award 2024** by the Australian Boarding Schools Association (ABSA)! This award recognises the excellent care and support our boarders receive around the clock.

在苏州德威国际课程高中项目，我们的住宿项目为超过40%的学生提供安全、舒适的住宿环境。我们非常荣幸地宣布，德威住宿项目荣获2024年“年度国际学校”奖，这是由澳大利亚寄宿学校协会 (ABSA) 颁发的奖项，表彰我们为住宿生提供的全天候优质照顾与支持。

Our dedicated, supervised, quiet study time in the evenings and optional extra hours allow students to excel academically in a focused environment. We are committed to your child's academic success and well-being, and this commitment is reflected in the consistently high levels of academic achievement among our boarders. Boarders can also enjoy access to school facilities, such as the gym, sports fields, music practice rooms, art rooms, etc, in the evenings.

Our boarding facilities feature modern, comfortable, and purpose-built rooms that accommodate one, two, or four students each. Supervision on each floor is provided by a combination of expatriate and Chinese boarding staff who reside full-time in the boarding houses. In addition, our Assistant Head (Boarding), Deputy Head of Boarding, and House Parents have apartments located within the boarding facilities, ensuring that students receive thorough supervision and care. We also maintain an on-campus medical centre with evening nursing support to ensure the well-being of our boarding students. Your comfort and safety are our top priorities.

我们的住宿生在晚间享有专门安排的安静学习时间，并可选择额外的自习时间，这为学生提供了一个专注的学习环境，帮助他们在学术上取得优异成绩。我们始终致力于学生的学术成功和身心健康，这一承诺也体现在住宿生持续保持的高水平学术成就上。此外，住宿生还可以在晚间使用学校的各项设施，如健身房、运动场、音乐练习室和艺术教室等。

我们的住宿设施现代化、舒适，房间设计合理，可容纳一名、两名或四名学生。每一楼层由全职的外籍与中国住宿工作人员共同监管。住宿部总监、住宿部副主任和宿舍家长的公寓均位于住宿楼内，确保学生得到全方位的照料与监督。学校还设有校园医疗中心，提供晚间护理服务，保障住宿生的健康与安全。学生的舒适与安全始终是我们工作的首要任务。

In our boarding house, we understand that each student's needs are unique, which is why we offer flexible boarding programmes to cater to different family circumstances. Whether your child is a weekly boarder returning home on weekends or a termly boarder living further from the school, our programme is designed to accommodate their needs.

We take pride in fostering a sense of belonging and community by organising activities for those with free time, creating lasting memories and a deeper sense of connection among our students.

我们深知每个学生的需求各不相同，因此我们提供灵活的住宿方案，以适应不同家庭的需求。无论学生是每周末返回家中还是长期住宿，我们的项目都能根据学生的具体情况量身定制。

我们还通过组织丰富的课外活动，帮助学生充分利用闲暇时间，培养他们的归属感和社区意识，增进学生之间的深厚友谊，留下美好的回忆。
