OUR NETWORK

DULWICH COLLEGE
| INTERNATIONAL |

DHZH is one of ten international schools in Asia that operate in partnership with the founding school in London and together make up Dulwich College International (DCI). Every year Dulwich College inspects DHZH, along with all other Dulwich international schools.

OUR SCHOOL

Dulwich International High School Zhuhai (DHZH) is an independent co-ed high school for students aged 14-18. Having opened our doors in 2010, we currently have 286 students on roll, of whom 76 are in the Class of 2022. Chinese students make up the student body predominately, though there are students of other nationalities attending the school, from countries including Canada, Malaysia, Korea, Germany, France, and Mexico. In line with the educational philosophy of Dulwich College, our founding school in London, our high school offers a challenging academic and holistic education to its students. This is centred on an enhanced English National Curriculum (ENC) leading to externally assessed IGCSE (International General Certificate of Secondary Education) examinations at the end of Year 11 (Grade 10). In Year 12 (Grade 11) the students progress to the UK's University of Cambridge International Examinations A-level qualification. In addition we deliver an extensive co-curriculum incorporating sports, music and performing arts that allows students to develop their creativity, along with teamwork and leadership skills. The language of instruction is English and all our students benefit from a structured cultural programme preparing them for life at universities abroad.

SCHOOL CALENDAR COVID-19 UPDATE

The school year is 180 days, running from 16 August to 17 June 2022. It is divided into three terms. Due to COVID-19, adhering to the local government policy, all students engaged in e-learning for two weeks from 16 August to 27 August 2021. Some expatriate teachers have still not been able to join the school in person because travel restriction remain in place for most foreign nationals, therefore some classes are still being delivered online.

CO-CURRICULAR ACTIVITIES

Arts, drama and music play an essential role at DHZH. All students are required to take part in mandatory drama classes to develop self confidence and communication skills. University counselling and PSHE (Personal Social and Health Education) classes are also embedded into the curriculum not only to better prepare students for college and university life after high school, but to ensure they thrive when they get there. We encourage our students to take part in any of the 58 activities we have to offer, including MUN (Model United Nations), World Scholar's Cup, basketball, soccer, aeronautical drone club, photography and drama. In addition, most of our students work towards the Duke of Edinburgh Award.

ACADEMIC PROGRAMMES

IGCSE - Years 10 and 11 (Grades 9 and 10)

DHZH offers an externally examined two-year course in Years 10 and 11. Students participate in a common core consisting of mathematics, English, drama, PE, ICT and first language Chinese. They choose five more subjects from additional mathematics, art and design, biology, business studies, economics, history, chemistry, English literature, geography, music and physics. Students can participate in a one year "fast track" IGCSE course, taking the six compulsory subjects listed above as well as choosing three additional subjects from business studies, chemistry, music and physics.

A-Level - Years 12 and 13 (Grades 11 and 12)

DHZH students prepare for the International Advanced Level (A-Level) examinations in Years 12 and 13. Students take the compulsory subjects of English, PE, and university counselling and choose four Advanced Subsidiary (AS) subjects in Year 12, with students usually choosing their best three to continue into Year 13. A-Level courses offered include art and design, biology, chemistry, economics, geography, history, mathematics, further mathematics, music and physics.

English

In Year 10 (Grade 9), students follow a preparatory programme that introduces them to the different areas of English. They complete units on various topics to improve their ability in writing, reading, speaking and listening. Included in the units is a focus on different writing styles and the development of lower and higher order reading skills. Students are also introduced to various literary texts to increase their knowledge of literary techniques and cultural awareness. Students are assessed on a grading system based on Cambridge International Examinations IGCSE English as a Second Language.

GRADING

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is internally assessed each semester using pre-established, standards-based performance levels. Courses conclude with externally assessed examinations.

DISCIPLINE POLICY

DHZH will report all external suspensions and withdrawals that arise as a result of a significant disciplinary incident or personal misconduct.

CLASS OF 2021 UNIVERSITY DESTINATIONS

ACCREDITATIONS AND MEMBERSHIPS

- Edexcel Examination centre
- CAIE: Cambridge International Examinations Centre
- AI: Accreditation International
- NCPISA: National Council for Private School Accreditation
- MSA-CESS: Middle States Association of Colleges and Schools -Commissions on Elementary and Secondary Schools

In Year 11 (Grade 10), students continue to develop their writing, reading, speaking and listening skills through thematic based units. Students complete set assessments that are graded against Cambridge International Examinations IGCSE English as a Second Language criteria.

In Year 12 (Grade 11), students are split into two streams: First Language English and English as a Second Language. Students are taught and prepared for the Cambridge International Examinations IGCSE in either of these subjects. They are graded against the Examination criteria in set assessments throughout the year.

In Year 13 (Grade 12), students develop their independent study skills, completing research on a number of areas. They are taught more academic writing styles and these are approached through the study of texts and wider cultural and global issues. Students are encouraged to become inquiring learners and more comfortable with the process of expressing and evaluating opinions. Critical thinking skills are essential for them to become successful undergraduate students and thus is an area of paramount focus during this year.

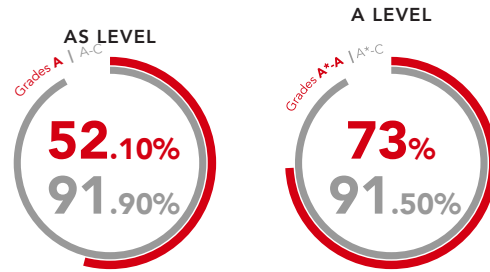

Drama

The two-year compulsory Drama programme is designed to develop students' confidence, creativity and collaboration skills. Students develop and improve their communication and critical thinking abilities through a wide-range of opportunities. Performance and presentation skills are the cornerstone of the Drama course and developing students into confident, fluent speakers is at the heart of this subject.

Literature

Year 10 and Year 11: Students study a range of poetry, prose and drama. They complete set assessments that develop their critical analysis skills. Students learn how to properly structure formal essays. They are graded against Cambridge International Examinations IGCSE Literature criteria. Year 12 and 13: Students deepen their knowledge of literary texts in poetry, prose and drama; they consider cultural and critical responses to the texts. Students are assessed on their meeting of Edexcel International A Level criteria.

2021 A LEVELS RESULTS

AS Level	2019	2020
A	45.6%	54.8%
A*/C	89.9%	92.4%

A2 Level	2019	2020
A	60.3%	71.9%
A*/C	94.5%	98.7%

2021 IGCSE RESULTS

SAT/ACT

None of our students did SAT or ACT last year because of the travel restrictions in China due to the covid-19 pandemic.
