OUR SCHOOL

Dulwich College (Singapore) opened in 2014 and educates children from age 2 to 18. Our school serves 2,929 students from over 50 different countries. There are over 1330 students in our Senior School, Years 7-13, with 114 in the graduating Class of 2024. The primary teaching language of DCSG is English. Up to age 5, students follow the Early Years Foundation Stage, and from Years 1 to 8, they follow the National Curriculum of England and Wales, which is enhanced to meet the needs of our international student body. In Years 9-11 DCSG offers a 3-year IGCSE/GCSE programme. The extended length of the programme allows us to provide opportunities for subject-based enrichment, to teach beyond the curriculum and to explore deeper and broader learning. This enhanced IGCSE programme prepares students for the rigours of the 2-year International Baccalaureate Programme (IBDP), or IB Courses or the IB Careers Programme (IBCP), in Years 12 and 13.

SCHOOL CALENDAR

The school year is 181 days, running from mid-August to end of June. It is divided into three terms. In response to Covid-19, the Class of 2024 has had no disruption from face-to-face instruction, although strict Covid-19 restrictions have been in place within the school and Singapore, which has severely impacted on sports, CCA and CAS activities, with no competitive ACSIS sports league fixtures from February 2020 – April 2022.

CO-CURRICULAR ACTIVITIES

Our College offers over 100 different activities such as Model United Nations, Student Council, Sustainability Matters and the International Award in addition to the drama, arts and sports programmes. Service programmes support a host of local projects, ranging from working with the elderly to the delivery of food parcels for those in need. Our Performing Arts programme performs internationally and has connections with The Royal Shakespeare Company, Vienna Boys Choir, Manchester College of Music and LAMDA. For sport, students compete in a wide variety of sports locally and internationally with other international schools within both Singapore via the ACSIS sports league and in Asia. DCSG offers a dedicated 'IGNITE' pathway for identified highly talented students in the Performing Arts, Creative Arts, and Sport. Furthermore, students are given the opportunity to take part in the International Award, modelled on the Duke of Edinburgh Award, bronze, silver and gold standards.

GRADING

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is internally assessed using pre-established, standards-based performance levels. Year 11 IGCSE courses and Year 13 IB conclude with externally assessed examinations.

DISCIPLINE POLICY

Upon request, DCSG will report all external suspensions and withdrawals that arise as a result of a significant disciplinary incident or personal misconduct.

OUR NETWORK

EDUCATION IN MOTION (EiM)

EiM is a family of world-leading educational institutions including Dulwich College International, Dulwich International High Schools, Dehong®, Green School International and Hochalpinen Institut Ftan AG, enrolling 11,000 students and graduating more than 600 students per year. EiM schools aspire to be the global leader in pioneering education for a sustainable future.

All EiM schools maintain a **10 Application Limit policy**: during a single application cycle, students may apply to a total of 10 universities or university systems. This policy maintains the intentionality and quality of our applications and is balanced with extensive support during the research, application and decision-making stages to ensure best fit outcomes.

EiM University and Careers Counselling Mission Statement:

EiM University and Careers Counsellors help students define **what success means to them** and develop the tools necessary to achieve that success. We proactively seek out the most **up-to-date understanding** of higher education globally and trends in counselling practice. We collaborate with teachers and families.

DULWICH COLLEGE INTERNATIONAL SCHOOLS (DCI)

Dulwich College International Schools are K-12 IB schools that offer the IGCSE curriculum followed by the International Baccalaureate Diploma Programme.

ACREDITATIONS AND MEMBERSHIPS

ACADEMIC PROGRAMMES

IGCSE - Years 10 and 11 (Grades 9 and 10)

In Years 9-11 DCSG offers a 3-year IGCSE/GCSE programme. The extended length of the programme allows us to provide opportunities for subject-based enrichment, to teach beyond the curriculum and to explore deeper and broader learning. It encourages greater conceptual understanding, more in-depth knowledge and more sophisticated skills. In addition, all students study Global Skills, a taught course that lays a solid foundation of critical thinking, bring together elements of philosophy, current affairs, research methodologies and public speaking. Students take up to 11 externally assessed examination subjects.

IB Programme - Years 12 and 13 (Grades 11 and 12)

All DCSG students follow the IB Diploma (IBDP) or IB Courses or the IB Careers Programme (IBCP), both of which also result in an accredited High School Diploma.

Our fourth graduating Class of 2023 with 121 students matriculated to a diverse distribution of destinations spanning 9 countries: 40% UK, 18% US, 17% Singapore (of which 12% were National Service men), 12% Canada, 5% Europe, 5% Australia, and the remaining 3% elected for a Gap Year.
