OUR SCHOOL

We are a Beijing-based British international school that follows the internationally recognised IGCSE curriculum followed by the International Baccalaureate Diploma Programme. Since we opened our doors in 2005, Dulwich College Beijing has been named British International School of the Year (2011) by the UK Independent Schools Awards. In 2017, the College also won a British International School Award for Teaching Initiative and a Corporate Social Responsibility Award. In 2019, DCB SE21 won the International School Award for Creativity in Learning. Our graduating classes have achieved IB results and university placements that place the school among the world's best.

SCHOOL CALENDAR

Due to school closures and local COVID-19 restrictions, the Class of 2025 engaged in e-learning or hybrid learning during the following dates: August 2021, February 2022, April to June and November to December 2022. The academic year consists of 181 days of instruction beginning in August and ending in June.

ACADEMIC PROGRAMMES

Overview

Our students come from 40 countries and range in age from 3 to 18. Up to Year 9 (Grade 8), we follow the English National Curriculum, enhanced to meet the needs of our international student body. In Years 10 and 11 (Grades 9 and 10), we follow the International General Certificate of Secondary Education (IGCSE), a two-year course culminating in externally assessed examinations. In Years 12 and 13 (Grades 11 and 12), all students enter the International Baccalaureate Diploma Programme (IBDP).

IGCSE - Years 10 and 11 (Grades 9 and 10)

In Years 10 and 11 (Grades 9 and 10), students take up to 11 IGCSE subjects, including accelerated mathematics and enhanced Chinese. Both Double and Triple Award Science cover physics, chemistry, and biology, with Triple Award being more rigorous. Grades range from A* to G and 9-1, with U indicating failure. Students can also take internally assessed STEM or humanities-based liberal arts courses. Our STEM course delivers 21st-century design technology competencies through an interdisciplinary framework, while the liberal arts courses include topics ranging from philosophy to film studies to the classics.

IB Diploma Programme - Years 12 and 13 (Grades 11 and 12)

All DCB students start the International Baccalaureate Diploma Programme (IBDP) in Year 12 (Grade 11) in preparation for university. The Class of 2024 graduated 71 students, with 69 IB diploma candidates. 67 were awarded the IB diploma. The class of 2025 will graduate 77 students, of which 76 are pursuing the IB Diploma.

It is our school's practice to only give out a few academic achievement awards every year, so the students who do earn these awards have distinguished themselves in their individual subjects. Senior School students are only eligible to earn academic awards during Years 7-12.

GRADING

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is continuously assessed. DCB reports triannually uses pre-established, standards-based performance levels. Years 10 and 12 conclude with internally assessed exams while Years 11 and 13 conclude with externally assessed examinations.

DISCIPLINE POLICY

DCB reports all out-of-school suspensions and exclusions that occur as a result of disciplinary incidents that raise significant concerns about a student's academic integrity or has a significant impact on the wellbeing of the student or others within the community.
