DULWICH COLLEGE INTERNATIONAL SCHOOLS (DCI)

Dulwich College International Schools are K-12 schools that offer the internationally recognised IGCSE curriculum followed by the International Baccalaureate Diploma Programme.

OUR SCHOOL

Dulwich College Shanghai Puxi educates children from ages 2 to 18 and currently serves 485 students. Throughout the Dulwich Kindergarten, students follow the Early Years Foundation Stage and the College offers a rich, dual language approach to learning in both English and Mandarin. From age 7, the primary teaching language becomes English in the Junior School with daily, streamed Mandarin lessons to support language development. Throughout the Junior School, students follow the National Curriculum of England and Wales, which is enhanced to meet the needs of our international student body. In Year 10 students embark on a 2-year set of IGCSE (International General Certificate of Secondary Education) courses, a rigorous course that requires students to take a broad range of subjects covering maths and sciences, English and foreign languages, and the humanities. It culminates in exams at the end of Year 11, and prepares students well for the two-year International Baccalaureate Diploma Programme (IBDP) starting in Year 12 (Grade 11). Our current Year 13 (Grade 12) students were the first to participate in the two-year IB Diploma programme and will also be our first cohort to graduate from Dulwich College Shanghai Puxi.

AWARDS

Dulwich College Shanghai Puxi are immensely proud and honoured to be named winners of the inaugural British Schools Awards 2021 Diversity and Inclusion Award. In addition to winning the Diversity and Inclusion Award, Dulwich College Shanghai Puxi were also named as finalists for the Science and Technology Award, and the Staff Development Award. On Thursday, 31 March 2022 Dulwich College Shanghai Puxi received the Australia – New Zealand Community Gala Awards ‘Sustainability Impact Award’

SCHOOL CALENDAR

The school year is 181 days, running from mid-August to mid-June. It is divided into three terms.

CO-CURRICULAR ACTIVITIES

Students at Dulwich College Shanghai Puxi have abundant opportunities to explore their creativity, pursue their interests and satisfy their intellectual curiosity outside the classroom. Starting from the Reception class (age 4) through to Senior School, all students are encouraged to take advantage of the many co-curricular activities available at the College, to learn and develop new skills or devote time to an interest. From high performance swimming in our Olympic Pool, to fencing, debating or serving the community, there are many things on offer to spark the individual child.

CO-CURRICULAR ACTIVITIES

Senior School

Students take 8 individual examination subjects in the International General Certificate of Secondary Education (IGCSE) course. They study physics, chemistry and biology as separate subjects and are examined in each discipline. Grades are on a scale of A* to G, with a letter grade of U indicating a failure to meet minimum standards.

IB Diploma Programme - Years 12 and 13 (Grades 11 and 12)

All Dulwich College Shanghai Puxi students will start the International Baccalaureate Diploma Programme (IBDP) in Year 12 (Grade 11) in preparation for university.

GRADING

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is internally assessed using pre-established, standards-based performance levels. Courses conclude with externally assessed exams (IGCSE and IB).

DISCIPLINE POLICY

Upon request, DCSPX will report all external suspensions and withdrawals that arise as a result of a significant disciplinary incident or personal misconduct.
