OUR SCHOOL

Dulwich International High School Suzhou (DHSZ) is an independent co-educational high school for students aged 14-19. Having opened our doors in 2012, we currently have 780 students on roll of which 180 are in the Class of 2023. Chinese students make up the great majority of the student body. In line with the educational philosophy of Dulwich College, our founding school in London, the high school offers a challenging academic and holistic educational approach to its students. This is centred on an enhanced English National Curriculum (ENC) leading to externally assessed International General Certificate of Secondary Education (IGCSE) examinations at the end of Year 11 (Grade 10). The students progress to the UK's Advanced Level (A-Level) qualification, awarded by Cambridge Assessment International Education (CAIE) & Edexcel. The school delivers an extensive co-curriculum incorporating sports, music and performing arts that allows students to develop their creativity along with teamwork and leadership skills. The language of instruction is English, and every student benefits from a structured cultural programme preparing them for life at universities abroad.

SCHOOL CALENDAR COVID-19 UPDATE

The class of 2023 have continuously experienced difficulties due to the ongoing Covid-19 situation in China. The May 2022 formal examinations were replaced by a Portfolio of Evidence system by Pearson Edexcel and Cambridge (CIE). All of the subjects followed the proscribed process for awarding grades given to the school by these boards. Certificates will be issued as normal by the exam boards in the late Fall 2022.

ACADEMIC PROGRAMMES

IGCSE – Years 10 and 11 (Grades 9 and 10)

Students participate in a compulsory common core consisting of mathematics, English and a choice of sciences: physics/chemistry/biology. They choose an additional two subjects at the IGCSE level. Students participating in the one-year accelerated IGCSE program take five compulsory subjects.

A-Level – Years 12 and 13 (Grades 11 and 12)

Most students study four AS courses in Year 12, taking three of these through to A-Level in Year 13. In addition, all students study an internally assessed English course, incorporating academic English, critical thinking and discussion skills. This is designed to ensure that students are well prepared to integrate and participate at university.

OUR STUDENT BODY

The majority of our students are Chinese nationals who must pursue university studies outside of China. Our students opt out of the Chinese education system at the end of middle school. All students go on to study at high-ranking universities worldwide.
