Our School

Dulwich College Shanghai (DCS) is a British independent international school serving 1565 expatriate English-speaking students, of whom 65 are in the Class of 2018.

Our students come from over 40 countries and range in age from 2 to 18. Up to Year 9 (Grade 8) they follow the English National Curriculum, enhanced to meet the needs of our international student body. In Years 10 and 11 (Grades 9 and 10) they follow the International General Certificate of Secondary Education (IGCSE), a two-year course culminating in externally assessed examinations. In Years 12 and 13 (Grades 11 and 12) all our students enter and complete the IB Diploma Programme.

English is our language of instruction and all our students speak fluent English.

The Dulwich Network

DCS is one of nine international schools in Asia that operate in partnership with Dulwich College in London under the World Charter and together they make up Dulwich College International (DCI). Dulwich College in London inspects DCS and each Dulwich international school annually.

School Calendar

The school year is 181 days, running from mid-August to mid-June. It is divided into three terms.

Grading

We do not rank our students or calculate grade point averages. For the duration of course work, student progress is internally assessed using pre-established, standards-based performance levels. Courses conclude with externally assessed examinations.

Co-curricular Activities

Students are offered a rich co-curricular programme that builds on team and leadership skills. Many of our programmes are student-initiated and led. Across the College, there are dance, drama, creative arts, music, sports, robotics, societies, language and service groups. Service is a hallmark of Dulwich College Shanghai, and students are actively involved in the local area as well as globally.

Academic Programmes

IGCSE – Years 10 and 11 (Grades 9 and 10)

Students take up to 11 individual examination subjects in the International General Certificate of Secondary Education (IGCSE) course. It is common for our students to study an accelerated mathematics programme within the IGCSE. The exam is taken at the end of Year 10 and is noted on the transcript as a Year 11 mark.

All our students take Triple Award Science at IGCSE. They study physics, chemistry and biology as separate subjects and are examined in each discipline.

Grades are on a scale of A* to G, with a letter grade of U indicating a failure to meet minimum standards.

IB Diploma Programme - Years 12 and 13 (Grades 11 and 12)

All DCS students start the International Baccalaureate Diploma Programme (IBDP) in Year 12 (Grade 11) in preparation for university.

University Matriculations 2014 - 2017

We believe in helping students choose prospective colleges and universities based on "fit". For this reason, students are limited to 10 applications worldwide each
