Arrival & Departure Times

Estimated arrival times for all school buses: 8.00am – 8.25am

Estimated departure times:

DUCKS noon bus	12.35pm
DUCKS / Junior/ Senior	3.45pm – 4.00pm
CCA Bus	5:00pm

Over 2000 students are finishing their school day activities between 3.30pm-3.35pm. This means we have over 80 school buses, parents' vehicles and other transports gathering at the College campus at the same time. We allow 15 minutes for DUCKS students to gather in the DUCKS dining room and then being escorted by the teachers, bus aunties and bus drivers to their allocated bus. All buses are expected to depart between **3.45pm - 4.00pm** depending on traffic flow on campus.

While the length of the bus route for most students is between 30 minutes and 45 minutes (from the moment the bus leaves the College campus), students living in more distant areas like the East Coast or Sentosa may experience longer travel times but not **exceeding 55 mins** . Fees are based on the distance from home to school.

NOTE: Times indicated may vary due to weather and traffic conditions. Please note that delays are common during the heavy rain and thunder storms. Usual routes get easily congested with vehicles travelling at slow speed. The contracted bus service provider will inform all parents via email or a text message, should there be a delay of more than **20 minutes** wherever possible.

CCA Buses

Extra curriculum activity buses are available for students in **YEAR 2** and above who participate in after-school activities. The activity buses provide service to several pre-determined drop-off locations **however** will not provide an island-wide service.

Please note that CCA buses provide a **drop-off service** only. Parents must ensure that a responsible adult is at the assigned drop-off point to meet their child when the bus arrives. Students not met by a parent or other responsible adult will be left at the assigned drop-off point without any supervision.

Please contact [Woodlands Transport Office](#) for more information.

- ii. For registrations after 31 July 2020 bus service will either commence on **1 Sep 2020** or **TWO-WEEKS** after date of registration, whichever later.
- iii. Distance calculated is based on Google Maps
- iv. Bus fare quoted is for per term, payable 3 times a school year (inclusive of GST)
- v. Invoices must be paid at least 2 weeks prior the start of the term to secure a space on the bus
- vi. Bus fare is not applicable for pro-ration should student not take the bus for any reason (ECA, medical leave, holiday leave, etc.)
- vii. For areas above 26.01km onwards, bus fares and travelling time is subjected to negotiation with Parents/ Guardians
- viii. A send back fee of **\$40.00** is applicable for any student that is brought back to school due to absence of authorized guardian at the drop off point

6. Why is there a \$40.00 send back fee if my child(ren) is not collected?

WTS highly regards child safety, and we emphasis this on a daily basis to our drivers and bus attendants. It is a constant battle to encourage and remind our drivers to not drop off students without an authorised guardian there to pick up the child(ren).

The implementation of this send back fee is also to ensure that guardians, too, are at the drop off point to ensure timely collection of the students. This will act as a deterrent to ensure that the overall transportation process is timely and on schedule.

The send back fee is passed on to the Driver and Attendant, WTS does not collect nor keep any amount of the total collection.

7. What will the travelling time be for my child(ren)?

WTS acknowledges and understand the stress for students riding buses for an extensive period of time. Therefore, all bus routes will be planned so that they are capped at a maximum travelling time of **55 minutes**.

This is however not possible for certain out-of-range residential areas. In the event of an out of range address, the travelling time may vary. However, all deviation from the agreed upon time frame will be discussed and agreed upon with the school prior to commencement of bus routes.

8. Am I going to expect change of Bus, Driver and Attendant?

Buses, drivers and attendants do change from time to time. This is mainly due to the transient nature of an international school community. *Families move in and out of the country, changing of residential address due to leases, students joining the school*; these are some of the reasons that will impact the overall routing plan. Therefore, buses will be reshuffled in order to cater for these new requests. We appreciate your understanding that changes are inevitable, however, WTS is committed to abide by the stipulated time frames and guidelines for all buses deployed and bus routes planned.

9. We love our current Bus Driver and Attendant, can we have them back?

As mentioned in Point 8, changes do occur from time to time, and with this transition into WTS, we may not necessarily engage the same driver and attendant to service the specific routes. Nevertheless, WTS prides to ensure a consistent service delivery throughout the entire fleet that is deployed.

10. Will my child(ren) be the last to be picked up and first to be dropped off?

As much as we would like to have every student be picked up last and dropped off first, it is not logistically possible as bus transportation is a shared service that needs to be managed with the varied interest of the whole community in mind.

Nevertheless, WTS is committed to adhere to the stipulated guideline as mentioned in Point 7.

11. Can I request for the bus to pick me up at my block?

As a general rule of thumb, all pick-ups and drop offs will be at the centralised condominium lobby or drop off point whenever possible. If the bus is not able to safely enter the property, pick up and drop off will be performed along the main road, outside the guardhouse of the condominium.

12. What about private property? Should I expect pick up at my front door?

As much as possible, pick ups and drop offs will be performed at your front door/ gate. However, this may not necessarily be possible for all roads in Singapore. In the event of a cul-de-sac or narrow lane, pick up and drop off will need to be performed at the nearest and safest road junction, which may entail a short walk from your property.

13. Is there someone on board the bus to manage my child(ren)?

Each deployed bus will come with a bus driver and bus attendant. The bus attendant is in charge of managing the students while on board. Should there be any incidents, the bus attendant will be the immediate responder and inform the DCSG Transport office immediately.

14. Are the bus attendants trained?

All bus attendants on board WTS deployed buses undergo a government regulated Bus Attendant Vocational License course. This is a 3 hours course that covers basic safety of students, incidents handling as well as how to react during an emergency.

Over and above, WTS will also conduct periodic internal training sessions for all bus drivers and bus attendants. This takes place during the school holidays and cover areas such as:

1. Basic First Aid Briefing and Hands-On Session
2. Students Handling
3. Emergency Procedures
4. Vehicle Checks and Inspections
5. Safeguarding & Child Protection Messages

15. Are the buses equipped with any seat belts?

All buses procured will be installed with **LTA approved 3-points seatbelts**. And will be checked regularly for their condition and functionality by WTS operations staff.

16. My child(ren) is young and little, are there booster seats provided?

Yes, for students under the height of 1.35m and **travelling on small buses**, LTA guideline stipulates that the student must be belted up with an appropriate booster seat while the vehicle is in motion.

WTS will be providing the required number of booster seats for all small buses at no cost to parents or drivers. Training of usage for these booster seats will also be provided to Bus Attendants on a periodic basis.

17. Is there any insurance coverage for my children on the bus?

Yes, all buses deployed are mandated by LTA to maintain a valid Third-Party Vehicle Insurance coverage. Over and above the vehicle insurance, WTS also maintains a general Public Liability Insurance for providing bus service for students of Dulwich College, capped at \$5,000,000.

18. Is there anyone I can speak to if I have any feedback on the bus service?

WTS Operations staff will be stationed on-site at the College daily from 7:00AM – 6:00PM (during school days). Outside of operational hours, WTS staff can still be contacted at **9750 1180**. Alternatively, you may send an email to dcsg.buses@dulwich-singapore.edu.sg and WTS staff will respond to your email within 3 working days.

19. Are there CCA buses provided for my child(ren)?

CCA buses are provided at no additional cost to the standard termly bus fares for Year 2 students and above using TWO-WAY or ONE-WAY: SCHOOL TO HOME service only; buses will be automatically allocated to eligible students based on the individual CCA schedule at the beginning of each CCA season. CCA Buses are provided only during the CCA seasons

20. You mentioned about an IT system, what can I expect from it?

21. Who do I contact if?
