Admission to Dulwich College Yangon

Dulwich College Yangon expects students and parents to understand and support the school’s aim to serve a diverse community. Our students come from a variety of backgrounds. The administration, teachers, students and parents are always working to maintain an environment that is welcoming to all students.

Each application is reviewed by the Admissions Committee, comprising of the Head of School and a member of the admissions team. Year level placement is determined by an applicant’s age as of 1st September in the academic year of entry (see the ‘Guide to Year Levels’). Applicants come from many different countries with varying school calendars and enrolment age practices. The DCY 1st September cut-off date and year level placement policy reflects what we believe to be the most appropriate alignment for academic and social readiness. Exceptions to this policy are made only at the recommendation of the Head of School after further detailed assessment can show how a child will benefit from being placed out of their chronological year group. At DCY differentiated lessons are the norm, so teachers are able to challenge and support a wide range of different abilities within each age group.
