Additions:

Gum shields are required for contact rugby

Shin pads are required for football

Long hair (Boys or Girls) must be tied back for all activities

Jewellery and Watches must not be worn for PE and must be removed prior to the start of the lesson

Students may bring a towel to shower after lessons

Kit policy

It is an expectation that each student will arrive to every lesson correctly equipped and ready to participate. Students who are ill or injured must provide a note or parental email explaining the nature of their incapacitation and ask to be excused. They should still bring PE kit and change into this as appropriate. They may be asked to participate in the lesson in a variety of different ways depending on their ailment:

- As a normal participant but to a lesser intensity than is usually expected (illness/injury dependent)
- As a peer teacher / coach / referee assisting with a small group of performers
- As an assistant to the PE teacher in the set-up of lessons

Missing Kit

In the event of a student not bringing kit, the following outlines the stages of dealing with this issue:

1. Students are given clear instruction as to kit requirements for activities and have explanation of this process at start of year (details to be posted on PE firefly page)
2. Student failing to bring every aspect of correct kit receives a mark in register and is spoken to by class teacher
NB student should attempt to borrow kit (in exchange for lanyard) from PE office and should return it at the end of lesson
3. Student receiving 2 x kit marks will have this recorded on SIMS and contribute to their behaviour profile
4. Student subsequently forgets kit or is wrongly equipped; class teacher refers student to Mrs. Carley as a cause for concern. Mrs. Carley will then contact parents by email to create an action plan
5. If student continues to 'offend' matter is raised with Tutor and Head of Year
