The policies and procedures for the [Execution of Student Contract](#) shall apply to these students. The College does not practice deferment after the student's course has started.

Parent/guardian's written consent is required for transfer and withdrawal requests for all Students in the College.

The record of students' withdrawal list is maintained by the DCSG Admission Department. Students can withdraw from the College or be withdrawn by the College according to the following conditions:

A. Withdrawal Due to Non-Delivery of Course

The Student should be informed in writing of alternative study arrangements (if any), and also be entitled to a refund of the entire Course Fees and Miscellaneous Fees already paid, should the Parent(s) decide to withdraw the Student, within seven (7) working days of the above notice (*Student Contract: Clause 2.1*).

B. Withdrawal Due to Other Reasons

In order to withdraw from the Course for any reason other than those stated in section A, **the Parent/ Legal Guardian of the Student must withdraw the Student from DCSG by submitting an online withdrawal form in [MyCollege – Parent Dashboard](#)** following the withdrawal deadlines schedules. In the event the withdrawal is not in the prescribed format, DCSG shall at its absolute discretion have the right to reject any such withdrawals.

DCSG Admission team will, as soon as reasonably practicable upon receipt of the withdrawal request, arrange for the Student's withdrawal process. A notice of withdrawal is not confirmed until the Admission team has acknowledged in writing that this withdrawal notice has been received. No other confirmation, written or otherwise, will suffice (*Student Contract: Clause 2.2*).

C. Withdrawal During Cooling-Off Period

DCSG will provide the Parent/ Legal Guardian of the Student with a cooling-off period of seven (7) working days after the date that the Contract has been signed by both parties. **The Parent/ Legal Guardian of the Student can withdraw the Student from DCSG by submitting an online withdrawal form in [MyCollege – Parent Dashboard](#)** within the cooling-off period, regardless of whether the Student has started the Course or not (*Student Contract: Clause 2.3*).

D. Withdrawal by the College of an Enrolment Offer

The offer of the enrolment or the enrolment itself can be withdrawn or suspended or made subject to new terms and conditions if any of the following occurs:

- (i) the College determines that there has been any breach of the College's policies or procedures or the Terms and Conditions stipulated in the Student Contract, or that circumstances as described in these Terms and Conditions arise that entitle the College to exclude or remove a Student, or withdraw or suspend enrolment or make enrolment subject to new Terms and Conditions;
- (ii) there has been misrepresentation or inadequate disclosure about the prospective Student including disclosure about the prospective Student including disclosure of the Student's or parents' /legal guardians' nationality, citizenship and visa status and subsequent changes thereof;
- (iii) the College determines at any time that it cannot reasonably meet the child's needs, this may include, without limitation, situations where the

College was unable to interview the prospective Student fully before offering a place to the prospective Student (e.g. where the prospective Student was overseas) and subsequently determines it cannot meet the child's needs. If a Student's existing enrolment is withdrawn, suspended, or made subject to new Terms and Conditions for any of the aforesaid reasons, this will be done pursuant to College policy (*Student Contract: Terms and Conditions Clause 4*).

E. Withdrawal Due to Exclusion

The Student's enrolment can be withdrawn by the College if the Student has committed serious disciplinary misconduct or criminal offence. The Headmaster shall act in accordance with the College's policy on discipline and exclusion in all such cases.

F. Exclusion for Non-Payment

The College reserves the right to exclude a Student where parents/legal guardians fail to pay in full the Course Fees or any other sum for which the parents/legal guardians are liable by the payment deadline. The College may withhold any information, character references, graduation transcript and/or school reports in the aforesaid circumstances. If the aforesaid circumstances persist or there are no prospects of payment by the College's rights, the College shall endeavour to take reasonable steps to ensure that any such act does not cause direct, identifiable and unfair prejudice to the legitimate rights and interests of the Student (*Student Contract: Terms and Conditions Clause 10*).

G. Student's Pass

DCSG will take the notice of withdrawal of the International Students as an instruction from the **Parent/ Legal Guardian of the Student** to cancel the student's Student Pass.

DCSG is obliged to lodge an e-cancellation for students on a Student Pass with the Immigration Checkpoints Authority (ICA) within 7 days of the date that enrolment for a student at DCSG ceases.

In order for the College to be able to proceed with the e-cancellation, and to ensure that all mandatory information is correct, the Parent/ Legal Guardian

of the Student must indicate in the withdrawal from both the last day of the College and the reason(s) for withdrawal.

H. College Transfers

Students who wish to transfer to and from another College within the Dulwich Group of Colleges, are to enquire with DCSG Admissions for advice on the application procedures. Transfers in this case will be treated as a new enrolment and acceptance will be subjected to the respective Head of School's approval, with the following variations:

- Students will be placed on the priority of the Waiting List
- Entry assessments may be waived, and the College will liaise with the Dulwich College that the student is currently in to obtain their progress reports. If this is not available student would sit an online assessment.

This policy, however, does not govern student transferring to another private education institution (PEI) in Singapore. Students who wish to transfer to another PEI in Singapore would be treated and processed as a withdrawal for other reasons.

I. Postponement of Start Date

- Parent may choose to defer their child's offered place for up to one year from initial offered date. Deferment would be based on availability and is subject to an additional assessment if the deferral will be for entry into a new year level. An addendum which reflects the changes (e.g. change in course start and end date) will be signed between the parent and the College for deferments made in this case.
- Admissions to move relevant file from 'offered' to 'processing' and adjust details in SIMS, Availability Summary, Admissions Database.
- Admissions to reach out to family in due course for further assessments.
- Deferment for more than a year, or due to issues relating to Student Pass, will be treated as a withdrawal (with the exception of parent filling out the withdrawal form), and the College will refund 100% course fees less administrative and bank charges as per Schedule D of the refund table. Students in this case will have their student contract void, and they will have to go through the necessary student selection and admissions procedures again.

**The College does not practice deferment after student's course has started*

J. Policy Review

The Admissions Department will review the policy and procedures for withdrawal and transfer once every two years or as and when required for continual improvement.
